

Put yourself in Bruce Jenner's shoes.

It's easy. Because Bruce Jenner shoes come in narrow, medium and wide — unlike most action shoes which claim that "one-width-fits-all."

New styles, too. Like the gray jogger with silver reflective strip for night time athletes. Plus three more, in soft leather, suede and nylon. All with cushioned insoles and rubber soles for better flex and grip.

Designed by Roblee. For Olympic Gold Medal winners...or weekend athletes like you and Bruce.

Subcommittee for Consumers, 1982 Corporate Counsel's Guide to Unfair Competition , 1998 *"Happy Eating" and Food Addiction in American Advertising* Debbie Danowski, 2023-10-30 This book explores the addictive techniques used in advertisements for ultra processed foods which promise consequence free eating to consumers while at the same time encouraging over consumption of unhealthy

food Debbie Danowski presents an analysis of promotional techniques in the context of food addiction characteristics and behaviors through an exploration of the themes used in this type of advertising These thematic messages include using food to rebel to play to relax to achieve happiness to replace exercise to achieve good health to increase intelligence to show love to bond with others and to create environmental change Ultimately Danowski argues that these competing and contradictory messages have had long term negative ramifications for American habits of consumption both literally and figuratively Scholars of communication advertising media studies and food studies will find this book particularly useful For more information check out this conversation between the author and Susan Branscome host of Food Addiction The Problem and The Solution Law & Advertising Dean K. Fueroghne,2017-03-01 In this lively entertaining and informative book Dean K Fueroghne guides readers through the complex laws governing the creation of advertising illuminating a heavily regulated arena at the intersection of free enterprise and consumer protection Is it acceptable to use images of real people famous or not Can Nike talk about Adidas in its promotional campaign When can money be shown What constitutes puffery or deceptive truth or bait and switch advertising What are the specific rules pertaining to professional businesses political advertising or the marketing of alcohol or tobacco What is the difference between copyright and trademark Fueroghne answers these questions and more as he covers the complex laws relevant to advertising in all its guises In addition to discussing specific cases he explains the reasoning behind the court s decisions and how it affects the business of advertising Students of strategic communication as well as advertising professionals from agency account executives and copywriters to art directors and freelance designers will learn to anticipate when proposed advertising may cause legal problems and how to avoid costly mistakes Advertising lawyers will also appreciate the book as a handy reference that gathers in one place the many disparate laws affecting marketing and promotion in the United States today *Please be Ad-vised* Douglas J. Wood,2003

Computers and the Law Robert Dunne,2009-05-29 Computers and the Law provides readers with an introduction to the legal issues associated with computing particularly in the massively networked context of the Internet Assuming no previous knowledge of the law or any special knowledge of programming or computer science this textbook offers undergraduates of all disciplines and professionals in the computing industry an understanding of basic legal principles and an awareness of the peculiarities associated with legal issues in cyberspace This is not a law school casebook but rather a variety of carefully chosen relevant cases presented in redacted form The full cases are available on an ancillary Web site The pervasiveness of computing in modern society has generated numerous legal ambiguities This book introduces readers to the fundamental workings of the law in physical space and suggests the opportunity to create new types of laws with nontraditional goals
