Bruce Jenner Good Morning America:

The Today Show Cathleen M. Londino, 2016-11-15 In the early 1950s when television networks did not broadcast regular programming before 11 a.m. radio and newspapers were the most popular and reliable ways for Americans to get their morning news. Then Sylvester Pat Weaver, vice president of programming at NBC, pitched a bold new concept to the network: a two-hour early morning news show that would run Monday through Friday starting at 7 a.m. By developing *Today*, Weaver filled a programming void before viewers even realized there was one and revolutionized the viewing habits of millions. In *The Today Show: Transforming Morning Television*, Cathleen M. Londino provides an entertaining and informative look at the first twenty-five years of NBC's innovative program from 1952 through 1977. Focusing on *Today*'s broadcast history, the personalities instrumental to the show's success, and the show's contributions to the entertainment industry, this account illustrates how the evolution of *Today* closely paralleled the development of the broadcast industry and rise of the major networks. In addition to chronicling the show's history, the author profiles some of the key players both behind and in front of the camera, including Dave Garroway, Barbara Walters, Tom Brokaw, and Jane Pauley. The vision of morning news developed by Weaver more than sixty years ago endured far beyond his wildest expectations, establishing a model that would eventually be adopted not only by competing networks but also by television programmers around the globe. *The Today Show: Transforming Morning Television* is a fascinating account of the unprecedented success of this influential program and will appeal to anyone interested in television history.

The Secrets of My Life Caitlyn Jenner, 2017-04-25 In this remarkable memoir, former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ community. Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete: Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world. Seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *The Secrets of My Life*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn, in turn, uncovers the toll that these personal struggles had on her three marriages and subsequently the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her

decision to become Caitlyn and how she her family the transgender community and the rest of the world has since embraced her new life Filled with incredibly personal and moving stories of struggle and victory of anxiety and fear and finally of surrender and acceptance *The Secrets of My Life* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself *The Kardashians* Jerry Oppenheimer,2017-09-19 From the New York Times bestselling author of *Crazy Rich* comes a blockbuster unauthorized biography of one of the most famous and ubiquitous family dynasties in contemporary culture *The Kardashians* Secrets and scandals of the Kardashians so closely held that not even hard core fans have heard about them are finally exposed in New York Times bestselling author Jerry Oppenheimer s forensic dissection of the infamous reality TV clan From the curious life of patriarch Robert Kardashian whose family meatpacking business was tainted by scandal to momager Kris Jenner s top secret plan for the future *The Kardashians* reveals the untold definitive story based on two years of investigative reporting and scores of candid on the record interviews ranging from childhood friends to powerful business associates who break their silence for the first time In the decade since the Kardashians first appeared on the scene millions of speculative words have been written about their drama filled lives But most has been tabloid hype and gossip column fantasy Until now Oppenheimer has written revelatory books on such international icons as the Clintons the Kennedys the Hiltons and more and now comes *The Kardashians* the true story that will make headlines and shock even the most loyal fans *American Men of Olympic Track and Field* Don Holst,Marcia S.
