Top 100 Amazing Recipes Milkshakes and Smoothie Alexey Evdokimov, 2016-01-18 The blender now has a permanent spot on kitchen counters in no small part due to the rise of smoothies as a snack fave. Strawberry is the most popular smoothie flavor while chocolate is the milkshake fave. Although most smoothies share banana as a common ingredient for milkshakes it's well milk. Though that milk might be in the form of ice cream. Whether you're having your smoothie as part of breakfast or as a snack and whether your shake is a treat or a dessert grab a straw and enjoy

The Real Deal Molly Mills, 2019-06-10 Milkshakes are the perfect blend of milk and ice cream. They are like ice cream on steroids. Adults sometimes feel like they outgrow certain things, this is definitely not true. Who doesn't enjoy milkshakes? Who? Even my grandma loves milkshakes. They are basically ice cream with an extra something that makes it yummy. Well here is another something extra that you can add to your milkshakes to make them way better: booze. Yes I said it. Adding alcohol to anything only makes it better. I know we all love our boozy ice creams well now let's try out some alcoholic milkshakes too. Did you know that we can accredit the start of boozy milkshakes to alcoholic eggnogs. These eggnogs were laced with whiskey to better help with the biting cold but people couldn't just get enough of them because the milkshakes load better. This was way back before the creation of milkshakes in 1922 in the nineteenth century.

With the creation of boozy ice creams came the idea of boozy milkshakes. These are gaining more popularity by the minute because they are a mixture of society's two of society's best: alcohol and ice cream. To enjoy this delicious goodness at home, all you have to do is download this recipe book and start making some yummy milkshakes. Just remember to keep them away from the kids.
