Enacting Atonement Roy McDaniel, 2025-11-04 Discover the story of salvation in Christ through Levitical rituals Atonement lies at the heart of the Christian faith In Christ s work of atonement we are reconciled to God enabled to draw near to him and can see his glory Through studying the Levitical burnt offering Roy McDaniel takes readers on a deep exploration of Leviticus 1 1 9 in this thought provoking volume part of the Studies in Christian Doctrine and Scripture series from IVP Academic Using elements of narrative analysis like setting plot and hero McDaniel shows how the Levitical burnt offering is a ritual recapitulation of the narrative of Israel s election and deliverance as depicted in Genesis and Exodus and how in doing so it proclaims the atoning work of Christ At the heart of this work lies the logic of atonement present in the Levitical burnt offering an idea that contributes to the doctrine of atonement by demonstrating how Christ s incarnate sacrifice is rooted in his eternal identity as God the Son In *Enacting Atonement* Roy McDaniel Provides a coherent account of atonement centered on the eternal identity of the Son Shows how Levitical sacrifice can inform the church s doctrine of atonement by modeling a careful theological exegesis of Leviticus and Explores questions about the meaning of sacrifice and its relationship to the being and attributes of God Whether you re a scholar student pastor theologian or a layperson seeking deeper understanding *Enacting Atonement* invites you to uncover the rich tapestry of God s redemptive narrative in the Levitical ritual

The Good News of the Return of the King Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant *The Good News of the Return of the King* The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion* In this book I propose that J R R Tolkien s *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many

Stories with Intent Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies *Stories with Intent* offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other

parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication *The Complete Works of William Shakespeare: with Dr. Johnson's Preface* William Shakespeare, William Harness, 1842 *The Divine Magician* Peter Rollins, 2015-01-20 In this mind bending exploration of traditional Christianity firebrand Peter Rollins turns the tables on conventional wisdom offering a fresh perspective focused on a life filled with love Peter Rollins knows one magic trick now make sure you watch closely It has three parts the Pledge the Turn and the Prestige In *Divine Magician* each part comes into play as he explores a radical view of interacting with the world in love Rollins argues that the Christian event reenacted in the Eucharist is indeed a type of magic trick one that is echoed in the great vanishing acts performed by magicians throughout the ages In this trick a divine object is presented to us the Pledge disappears the Turn and then returns the Prestige But just as the returned object in a classic vanishing act is not really the same object but another that looks the same so this book argues that the return of God is not simply the return of what was initially presented but rather a radical way of interacting with the world In an effort to unearth the power of Christianity Rollins uses this framework to explain the mystery of faith that has been lost on the church In the same vein as Rob Bell's bestseller *Love Wins* this book pushes the boundaries of theology presenting a stirring vision at the forefront of reimagined modern Christianity As a dynamic speaker as he is in writing Rollins examines traditional religious notions from a revolutionary and refreshingly original perspective At the heart of his message is a life lived through profound love Just perhaps says Rollins the radical message found in Christianity might be one that the church can show allegiance to *Gender-related Legal Reform and Access to Economic Resources in Eastern Africa* Gita Gopal, 1999 The impetus for change in African legal reform is coming primarily from African women themselves as they respond to their personal and practical experiences with the law Top down imposition of norms has not worked if legal reform is to lead to sustainable equity for women the voices of these women must be heard Given that previous efforts to ensure greater equity in personal laws have not been fully successful in eastern African countries any new legal initiatives must not repeat the mistakes of the past Law must not again remain merely on the books as a legitimizing tool that reinforces or supports gender discrimination but must actively protect and guard the interests of both men and women This paper attempts to draw out some possible lessons from past experience to inform new efforts at legal reform in these countries It examines the laws related to allocation of economic resources within households in the broader historical social and cultural context in some of these countries and examines the effectiveness of these laws in challenging gender relationships *Jesus and the Chaos of History* James G. Crossley, 2015 In *Jesus and the Chaos of History* James Crossley looks at the way the earliest traditions about Jesus interacted with a context of social upheaval and the ways in which this

historical chaos of the early first century led to a range of ideas which were taken up modified ignored and reinterpreted in the movement that followed Crossley examines how the earliest Palestinian tradition intersected with social upheaval and historical change and how accidental purposeful discontinuous contradictory and implicit meanings in the developments of ideas appeared in the movement that followed He considers the ways seemingly egalitarian and countercultural ideas co exist with ideas of dominance and power and how human reactions to socio economic inequalities can end up mimicking dominant power In this case the book analyzes how a Galilean protest movement laid the foundations for its own brand of imperial rule This evaluation is carried out in detailed studies on the kingdom of God and Christology sinners and purity and gender and revolution *The Dramatic Works of William Shakspeare* William Shakespeare, 1827
