The Rebirth of the Hero Keiron Le Grice, 2019-06-10 The portrayal of the hero in classical myths and modern films continues to exert a compelling influence on the collective imagination entertaining and inspiring audiences the world over On a deeper level the myth of the hero's

adventure is recognized as a fundamental pattern of human experience itself a symbolic expression of the individual's struggle for greater consciousness psychological wholeness and spiritual realization In *The Rebirth of the Hero* Keiron Le Grice draws on the ideas and life experiences of C G Jung Joseph Campbell and Friedrich Nietzsche to explore the spiritual journey of the modern self from existential crisis and the awakening of the self to the dramatic encounter with the underworld of the psyche and the arduous labour of spiritual transformation In a work of wide ranging scope and penetrating insight Le Grice analyzes scenes from a number of popular films *Jason and the Argonauts* *Star Wars* *The Lord of the Rings* *Pan's Labyrinth* and more to illuminate the themes and stages of psychospiritual rebirth and individuation helping to make the deepest of transformative experiences more readily accessible and intelligible to us all Drawing interchangeably on classical Greek myths Christianity alchemy Romanticism and depth psychology the author also relates the individual's personal journey of transformation to the relationship in Western civilization between spirit and nature reason and instinct and masculine and feminine In so doing *The Rebirth of the Hero* demonstrates the critical significance of the archetypal pattern of the hero not only for the individual but also for cultural renewal and the wider spiritual transformation of our time

The Big(ger) Picture Marshall Wood, 2014-06-03 Whatever God does it shall be forever Nothing can be added to it or taken from it Eccles 3 14 15 NKJV *The Big(ger) Picture* is a call for Christians everywhere to choose the Word of God as their only basis for Christian living Author Marshall M Wood warns the church not to be duped by so called new doctrines but to live the way the Bible instructs because God's Word never changes This clarion call to a dedicated Christian life will show you Why apostasy is running rampant in the church today How to recognize it using God's Word What you can do to renew your commitment to the Lord Wood reminds us that as Christians we must make a choice We cannot live in both worlds he states It is one or the other How will you choose

The Dismissing of America's Covenant with God Miles Huntley Hodges, 2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson's Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America's traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon's diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter's discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character

rather universally Christian of America's national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America's own national narrative particularly the necessity of getting back into an all important Covenant relationship with God

The Prophets of Doom Neema Parvini, 2023-07-27 Linear and progressive views of history have dominated the popular imagination for the past seventy years in a worldview wedded to the inexorable rise of globalisation and GDP growth at any cost However the end of the Cold War failed to produce the end of history as hoped a fact brought home to many by Russia's invasion of Ukraine in 2022 Material wealth and Progress in the name of social justice have not made people happier or more united but quite the opposite Anxiety depression fearfulness sadness loneliness and anger have all massively increased since 1970 with the male suicide rate at an all time high Western society seems to be divided against itself across every line conceivable left versus right women versus men non whites versus whites globalists versus populists the elites versus the people people who think that men can be women and vice versa versus those who insist that they cannot and so on Seventy three percent of Americans believe their country is on the wrong track with similar views reflected in Britain and across Europe The Prophets of Doom explores eleven thinkers who not only dared to contradict the dominant linear and progressive view of history but also predicted many of the political and social maladies through which we are living

An Ecology of World Literature Alexander Beecroft, 2015-01-06 What is a literature How do literatures of different countries interact with each other In this groundbreaking study Alexander Beecroft develops a new way of thinking about world literature Drawing on a series of examples and case studies the book ranges from ancient epic to the contemporary fiction of Roberto Bolao and Amitav Ghosh Beecroft identifies a series of literary ecologies from small scale societies to the planet as a whole within which literary texts are produced and circulated An Ecology of World Literature places in dialogue scholarship on ancient and modern western and non western texts producing new and unexpected demands for literary study
