Desiderata Max Ehrmann, 2002-12-05 Famous for its eloquent stating of the simple truths that are often overlooked in the busyness of everyday life, *Desiderata* (Latin for things to be desired) contains a timeless message of faith, hope, and charity. The poem was actually written by American Max Ehrmann in 1927 but achieved its greatest fame as the anthem of Sixties hippie-dom, becoming the subject of many millions of posters. Over the years, *Desiderata* has provided a kind and gentle philosophy, a refreshing perspective on life's bigger picture. This beautifully produced new presentation of the poem will bring it to the attention of a whole new audience, appealing both to a younger generation looking to find more meaning in life as well as to baby boomers who recall it from their youth.
