

A Walk Around The Pond

AN Whitehead

A Walk Around The Pond:

A Walk on the Beach Buddy McCoy, 2007-05 It was a cold January afternoon when Buddy and Olivia arrived at Sea Island. They came from different corners of the state to a Georgia Association of Realtors convention, a black tie affair that attracted nearly six hundred participants. Buddy was divorced and Olivia was a widow. Olivia smiled as she watched Buddy flirt with the young lady at the ticket counter. Little did she know his attention would become focused on her later in the evening. Whether the meeting came by chance or by destiny, the two lonely souls needed *A Walk On The Beach*. Soothing music by the band after dinner was an invitation to dance. The ballroom was packed. Buddy was in the hunt. He circled the room three times, leaving no stone unturned. Near the end of the third lap, he was stopped dead in his tracks. There she sat, wearing a low cut sequined blouse and the baby blues and the smile and the silky blond hair sent tremors through his heart. Her beauty radiated like a beacon from a lighthouse. It would be their first dance of many over the next few years, and at one point they danced alone to cheers from the crowd. The courtship blossomed after that first meeting, but there were challenges. Olivia lived on Tybee Island and Buddy lived in Moultrie, some four and a half hours away. Buddy did most of the driving, of course. For the chase was on Tybee became their playground with long walks on the beach, dinner parties and romantic sunsets. Share the intimacy, humor and trials of this true love story as it unfolds through their e-mails. Feel the warmth and passion of the relationship as two adults strive to give love a second chance.

Walking Boston Robert Todd Felton, 2013-10-08 Boston is a walker's town. It's as clear as the brick red path marking the Freedom Trail, the bright blue signs of the Harborwalk and the green of the Emerald Necklace series of parks. Boston's nearly 400 year history has led to the development of hidden neighborhoods, historic sites and iconic parks that tempt both Bostonians and visitors out onto the sidewalks, paths and trails lacing this close knit city. In addition, the Big Dig project which helped revive downtown and the waterfront by moving Interstate 93 underground has created an energy and excitement that has driven projects like the Harborwalk and the Rose Fitzgerald Kennedy Greenway. *Walking Boston* offers the best of Boston's new and old rambles. This portable guide features detailed maps, original photos and public transportation information for every trip. Route summaries make each walk easy to follow and a Points of Interest section summarizes each walk's highlights.

A Walk in the Woods Bill Bryson, 2012-05-15 God only knows what possessed Bill Bryson, a reluctant adventurer, if ever there was one to undertake a gruelling hike along the world's longest continuous footpath, The Appalachian Trail. The 2,000 plus mile trail winds through 14 states stretching along the east coast of the United States from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America as well as through some of its most poverty stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd and his laugh out loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.
