A Wise Woman Builds Her House:

A Wise Woman Builds Her House Charisse M. Gibert, 2004-02 Gibert challenges readers to imagine living in a house that God the Master Builder has designed. It would be an opulent home with the finest amenities that heaven could offer. And with God's plans, the project couldn't fail.

A Wise Woman Erin Thiele, 2004

A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand Erin Thiele, 2025-07-04

Is your life built on the Rock or on Sinking Sand? Since founding Restore Ministries International, an online ministry for women, Erin Thiele has touched the hearts of thousands of women around the world. Her love for the Lord and her dedication to follow the uncompromised Word of God is evident to all who have read her books, have met her, or have known her personally. Where have you built your life? Jesus told us that only the lives built on Him, the Rock, will stand when the rains come, not if they come in the form of a sickness or death in your family, financial troubles, or your husband leaving you. It is our hope that you, through reading this book, will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life. Where have you built your life? Before rebuilding, you must have good blueprints. Your blueprints must be His Word, which you will find in this book. Always read the Scriptures; never skip them. Next, you must find the Cornerstone that everything will be built on. Our Cornerstone is taking Jesus as your Lord, not just your Savior, then to go beyond joy as you become His beautiful bride. With a renewed mind, the Lord's blueprint, and Him by your side, you will then be able to rebuild your life instead of foolishly building it on sinking sand. Those of you who are sitting amidst rubble because your house has fallen through infidelity or divorce really have the advantage. You are motivated to begin to rebuild your life. This is where I was when I first began writing the book for women. It was painful for me, but it was worth every tear. I ever cried. A Wise Woman workbook so much help and hope. Michelle in Wisconsin found this book thoroughly amazing because I finally got to see the mistakes I was making. This book is a must for every woman after the Restore Your Marriage book. Praise God, I am now restored. AFTER our divorce. Hilary in South Africa recommends this book to anyone who is married or who ever wants to be married. It helped me learn how to be a godly wife. So many of the principles can be applied to all of our relationships, not just our marriage. The biblical principles in it were new to me because I had been so diluted by the ways of the world.

The Wise Woman Builds Her House Verna Berry Howell, 2014-01-10

In a day and age when couples live in meaningful relationships without a legal or religious contract of marriage and when the divorce rate among those who choose to marry hovers between 50 and 60 percent, a book on marriage may seem to be an anachronism. However, Mrs. Howell draws on her experience of two successful marriages that spanned more than fifty-eight years. She offers her sage and insightful advice to anyone contemplating going into matrimony, to those considering getting a divorce, or even more tragic, to those who continue to live in a union that is not fulfilling. Marriage was instituted by God, not by mankind. Biblical principles teach us how to achieve productive, satisfying, and long

lasting marriages This book is an analogy of a physical house and a wedded relationship Many couples put more time and thought into building their dream house than they do in building their marriage The reader will examine the laying of the foundation through the framing of the structure In architecture each step is predicated on the successful implementation of that specific part of the build that came before it It is imperative that careful attention is given to each part in order to attain the dream result Widowed again with a twinkle in her eye Mrs Howell states Im looking for number three so I can start a new house

The Wise Woman Builds Golden Keyes Parsons,2007-08 Using a home decorating and building motif this resource offers 11 chapters of dynamic Bible study on how to become a wise woman and build a godly home in an ungodly world

Biblical Womanhood in the Home Nancy Leigh DeMoss,2002 Though the modern feminist movement left suffering families and a lost culture in its wake there is a new movement spreading seeds of hope in the hearts of Christian women everywhere Nancy Leigh DeMoss has brought together seven respected teachers including Susan Hunt and Mary A Kassian all of whom speak to the hearts of their sisters in Christ with a message about the greatness of God s created order and the part women play in His grand redemptive plan so that they may re discover the beauty and wonder of their distinctive calling

Word before World Gretchen Saffles,2024-09-17 In the beginning was the Word and the Word was with God and the Word was God John 1 1 When you think about your life and what you value what would you put first When you read God s Word are you doing so out of duty or out of a desire to delight in your Savior When all we give Jesus is our leftovers fear overwhelms our peace and worry clouds our vision Gretchen Saffles knows what it s like to struggle to put Jesus first daily During a season of spiritual discouragement she learned that pursuing God is ultimately not a self help journey but rather it s a Spirit led surrender This discovery led her to a simple phrase that helped her reframe how she desired to spend her time start her days and shape her mindset Word before World

This three word statement has become her morning manifesto her afternoon anthem and her evening comfort When she practiced looking first to Jesus she realized that while God s Word never changes yet it always changes us In Word before World you ll discover ways to Conquer the daily distractions that get in the way of time with God Develop a daily rhythm of seeking Jesus Set aside your phone lists and plans in order to seek direction and nourishment in God s Word instead Transform your worldview schedule dreams and desires to align with God s purpose for your life Cultivate a deep love for God in this 100 day devotional journey to experience God s faithfulness and goodness Put God s Word before the distractions of this world believing that he will meet your every need The House That God Built Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprintsthe masterplansto determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the familybut not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities
