Gen. Francis Marion and a History of His Brigade** William Dobein James, 2009-03-03 [A Sketch of the Life of Brig. Gen. Francis Marion and a History of His Brigade](#) William Dobein James, 2015-05-22 inclination was renewed to communicate that of MARION S brigade However I still wanted materials to confide in more certain than memory The last year I happened to mention my wish to Mr RICHARD SINGELLTON of Colleton son in law of Major JOHN POSTELL and he obligingly placed in my hands a bundle of original letters from General MARION to that distinguished officer Not long after I heard that the late General PETER HORRY had preserved copies of General MARION S correspondence with General GREENE and other officers and I applied to his executor Mr JAMES GUIGNARD who very politely placed five duodecimo volumes in my hands closely written by the general The originals were left by General HORRY with the Rev M L WEEMS but it appears he made no use of them in his life of MARION The dates and facts stated in these copies agree pretty well with the account in the history of South Carolina by Dr RAMSAY and General MOULTRIE S memoirs of the American revolution I have also taken the pains to consult several of MARION S officers and men who still survive The Hon THOMAS WATIES gave me considerable information respecting the first part of the general s operations which I did not witness as after MARION S retreat to the White marsh I was left sick in North **The Life of Francis Marion** William Gilmore Simms, 1811 **A Sketch of the Life of Brig. Prevost, Bart E. B. Brenton, 2021-04-25 E B Brenton's *Some Account of the Public Life of the Late Lieutenant General Sir George Prevost* Bart presents a detailed examination of the life and military career of Sir George Prevost a pivotal figure in the early 19th century British military landscape Brenton employs a straightforward narrative style interweaving personal anecdotes and official military accounts to provide readers with a comprehensive understanding of Prevost's strategies and contributions during the War of 1812 and other conflicts Set against the backdrop of British colonial expansion and military challenges this work serves not only as a biography but also as a reflection on contemporary military ethics and governance E B Brenton was inspired by a deep seated respect for military leaders who shaped the course of British history Engaged in his own military ambitions and inspired by service Brenton sought to illuminate the complexities surrounding Prevost's leadership including his controversies and successes His historical context enriched by personal experience and a keen understanding of military dynamics frames this biography as an authentic examination of a man both revered and criticized This book is highly recommended for scholars historians and anyone interested in military history or British colonialism Brenton's work not only provides insight into the life of a significant military leader but also prompts readers to reflect on the legacies of public service and the ethical dimensions of military command
