A Sweethaven Homecoming:

A Sweethaven Homecoming Courtney Walsh, 2017-04-07 The Sweethaven Circle is back and so is a friend they thought they'd never see again. The women of Sweethaven are enjoying an Indian summer when their old friend, the missing member of their scrapbook circle, arrives back home. Meghan Rhodes has moved on with her life, leaving Sweethaven and its painful memories in the past. But when her ex files for custody of their twins, she takes the first flight back to the beach town full of haunting memories. Meghan wants to make things right with her ex-husband, her children, and the friends she'd convinced herself she no longer needed. But is she too late? Meghan works with friends Jane, Lila, Adele, and Campbell to begin a new scrapbook for memories yet to be made. Picking up where *A Sweethaven Summer* left off, *A Sweethaven Homecoming* explores the strong bonds of friendship, the power of forgiveness, and the importance of unconditional love. **Harvest**

Moon Homecoming (Sweet Haven Farm Sweet Small Town Romance Book 1) Jessie Gussman, 2022-02-01 Frustrations and tensions fly amid adversaries turned partners in this fun and sweet romance. When the high school's float explodes five days before the National Farmer's Day parade, Principal Calvin Finkenbinder sees his chance at the promotion to Superintendent disintegrate. Unless he enlists the help of Ellie Bright, the most annoying, disorganized, and kissable woman he knows, standing in Principal Fink's office again for driving her daughter to school late again, Ellie is given two odious choices: Either her straight-A daughter receives detention for another tardy that's not her fault, or Ellie uses her artistic skills and helps the uptight, stringent principal build a new float. As they scramble to construct the float in time, Ellie's chaotic life collides with Fink's methodical plans. A tangle of arguments and decorations leads to a stolen kiss. Underneath their long-established animosity is an unexpected passion that threatens to ruin more than just a school float. **Reviews for Harvest Moon Homecoming** This book made me laugh out loud and left me smiling. I loved Fink and Ellie's story. Throw in the kids and you have a captivating read that I read straight through. MJ I loved the humor. Jessie Gussman infuses this rom-com with the antics of the characters; they will keep you rolling. Somehow I see myself in this book, but I won't say which character I'm most like. Reid Reading her stories is about like riding a rollercoaster or a wild bull. You never know what's coming next or what's around the next turn. Jim Jessie always comes through with a great storyline and engaging characters. Jill Wow. This book starts out with a bang. Talk about opposites attracting. This book has it. **Kim Books in the Sweet Haven Farm series** 1 *Harvest Moon Homecoming* 2 *Better Together* 3 *Just Right* 4 *Anything for You* **Paper Hearts** Courtney Walsh, 2014 Could the loss of her dream lead to her happily ever after? Abigail Pressman never would have guessed that love notes penned on paper hearts by an anonymous couple could challenge her doubts about romance. A business owner in a quaint tourist town, she dreams of expanding. But lately, she's more focused on resisting the matchmaking efforts of the Valentine Volunteers, who gather in her store to continue Love's Park's tradition of stamping mail with the city's romantic postmark. When Abigail is unwillingly drafted into the Volunteers, she encounters the hearts, a distraction that couldn't come at a worse time. A hard to

read doctor has become Abigail's new landlord and he's threatening to end her lease. As she fights a growing attraction to this man intent on crushing her dreams, Abigail is inspired to string the hearts in her store, sparking a citywide infatuation with the artsy trend. But when a new batch of hearts arrives, it appears something tragic has happened to the couple. Will uncovering their story confirm Abigail's doubts or could it rescue her dreams and her heart? *Just Let Go* Courtney Walsh, 2018. Quinn has finally achieved her dream of owning a flower shop. But she's soon over her head as she begins some much-needed renovations. When bad boy Olympic skier Grady Benson gets into legal trouble, Quinn becomes his community service project. Can the notorious athlete and the small town shopkeeper embrace love and the adventure of a lifetime?

Change of Heart Courtney Walsh, 2016-03-01. A Colorado senator's wife Evelyn Brandt seems to have it all. But her carefully constructed life comes toppling down when the FBI crashes her society brunch with news that her husband has been arrested for embezzlement and he's far from repentant. It turns out this was only the start of his indiscretions for which he has little regret. As the weeks following the scandal turn into months, Evelyn withdraws, even shirking her duties with the philanthropic Valentine Volunteers. The inquisitive women of the group are determined not to let Evelyn's divorce destroy her. They have big plans for her to use her long forgotten artistic talent to reimagine the city's iconic lamppost hearts. But doing so will force Evelyn to work closely with Trevor Whitney, her ex-husband's former best friend. Though she and Trevor used to be close and he's been letting her hide in his guesthouse, his gruffness conveys his unease with the situation. Amid the beauty of Trevor's farm and the comfort of a paintbrush, Evelyn starts to reclaim the dreams she sacrificed to become the perfect politician's wife. And as creativity inspires them both, Whit begins to see the girl he fell in love with before his friend and his own mistakes stole his chance. Possibilities for a new beginning emerge, but long kept secrets threaten to ruin everything. After so much time, is a change of heart too much to hope for? Just Look Up Courtney Walsh, 2017. After tirelessly climbing the ranks of her Chicago-based interior design firm, Lane Kelley is about to land her dream promotion when devastating news about her brother draws her back home to a quaint tourist town full of memories she'd just as soon forget. With her cell phone and laptop always within reach, Lane aims to check on her brother while staying focused on work. Something her eclectic family doesn't understand. Ryan Brooks never expected to settle down in Harbor Pointe, Michigan, but after his final tour of duty, it was the only place that felt like home. Now knee-deep in a renovation project that could boost tourism for the struggling town, he is thrilled to see Lane, the girl he secretly once loved, even if the circumstances of her homecoming aren't ideal. Their reunion gets off to a rocky start, however, when Ryan can't find a trace of the girl he once knew in the woman she is today. As he slowly chips away at the walls Lane has built, secrets from his past collide with a terrible truth even he is reluctant to believe. Facing a crossroads that could define his future with Lane and jeopardize his relationship with the surrogate family he's found in the Kelleys, Ryan hopes Lane can see that maybe what really matters has been right in front of her all along if only she'd just look up. **The Summer of Yes** Courtney Walsh, 2024-07-02.
