

The background of the book cover features a photograph of the interior of a grand, historic church. The image captures the lower portion of a high, vaulted ceiling, showing a complex network of dark wooden beams and lighter-colored ribs that create a starburst or web-like pattern. Below the ceiling, the tops of several rows of wooden pews are visible, arranged in a perspective that leads towards the center of the frame. The lighting is warm and focused, highlighting the textures of the wood and the architectural details.

A Theology Of Worship New Church's Teaching Series:

Theology of Worship Louis Weil, 2001-01-25 In this exploration of the foundations of Anglican worship Louis Weil invites the laity to claim their true baptismal role and serve alongside the ordained as ministers and celebrants of the liturgy. He explains how the contribution of the people of God has steadily diminished over the centuries and why it is necessary to reclaim it today in the midst of Anglicanism's increasing multiculturalism. Since Anglicans are no longer primarily English speakers worshipping in Gothic cathedrals, Weil challenges us to engage new forms of culture, music, liturgical prayers, and dance in order to renew Anglicanism for the new century.

Guide to New Church's Teaching Series Linda Grenz, 2000-01-25 A Guide to The New Church's Teaching Series by educator Linda L. Grenz offers practical suggestions for using the books of the series in the diocese or congregation. A complete reference for clergy and lay leaders, teachers, and small group facilitators, the guide provides a brief overview of each book and contains suggestions for additional activities to enhance learning. It surveys a wide variety of church groups and formats for using the series from adult forums and Bible study groups to retreats and vestry meetings and recommends volumes of the series that would be most helpful in each context. Finally, the guide offers specific guidelines for recruiting teaching and leading small groups in a chapter describing how to create and maintain a learning environment for adults.

Praying Shapes Believing Ruth A. Meyers, Leonel L. Mitchell, 2016-08-01 2015 marks the 30th anniversary of Lee Mitchell's great standard work on the 1979 Book of Common Prayer. As his student, protégé, and colleague Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future.

Opening the Prayer Book Jeffrey Lee, 1999-01-25 What Roger Ferlo did for the Bible in *Opening the Bible*, volume 2 of The New Church's Teaching Series, Jeffrey Lee now does for the prayer book in volume 7 of the series. *Opening the Prayer Book* introduces us to the history and liturgies of The Book of Common Prayer and helps us understand why the prayer book is such an important aspect of Anglican self-understanding. Lee begins with the fundamental question: What is common prayer? He explores some of the ways in which our worship according to The Book of Common Prayer affects who we are as a church and the way it shapes our lives of faith. In chapter 2, Lee turns to the development of patterns of liturgy from the time of Jesus to the Reformation, tracing changes in the primary liturgies of baptism, eucharist, and daily

prayer The American prayer book is the focus of chapter 3 from the earliest revisions in the new nation through the liturgical scholarship that led to the substantial theological and liturgical changes in the 1979 Book of Common Prayer Chapter 4 begins a survey of the pages of the prayer book itself Lee examines in particular the liturgies of Holy Week and Easter baptism and eucharist and the daily office with a view to understanding the way the parts of the services are rooted in the historical prayers of the church and at the same time reflect the living tradition of Christians today This theme is further developed in chapter 5 which focuses on the prayer book and our common life Here Lee discusses questions of how a common prayer book can be responsive to a growing variety of pastoral situations and diverse cultures in a fast changing world The final chapter addresses the future of the prayer book within the Anglican Communion in light of demands for further revision and for greater freedom to adapt the prayer book to local needs and beliefs As with each book in The New Church's Teaching Series recommended resources for further reading and questions for discussion are included

Liturgical Resources 1 Revised and Expanded Standing Commission on Liturgy and Music, 2015-11-01 Newly revised expanded and perfected text from the 78th General Convention of The Episcopal Church held in Salt Lake City in July 2015 Church Publishing is honored to work with the General Convention Office and the Standing Commission on Liturgy and Music to provide this important resource for the church

Gays and Grays Donal Godfrey, 2007-07-20 Gays and Grays tells the story of a unique Catholic parish Most Holy Redeemer Parish in San Francisco is in the center of the world's first gay neighborhood The Castro This parish was the center of the hostility to the arriving gay population in the 1970s but paradoxically was itself transformed into a welcoming parish The old time parishioners the gray bonded with the new comers the gay particularly in a joint compassionate response to the crisis of AIDS A charismatic pastor FR Tony McGuire also played a key role in the transformation of this interesting parish Most Holy Redeemer was changed from a dying parish to a vital place where gay and straight people together created something new Father Donal Godfrey shows how this parish became prophetic and compassionate through conflict and compromise at times despite opposition from many sources including the institutionalized homophobia of the church and society Rather than becoming embittered the parish opened up to be a place of healing and indeed sanctuary for many This book tells this fascinating story and why it is significant beyond the scope of San Francisco Most Holy Redeemer is a place which has remained within the institution while at the same time challenging it with grace and humor This accessible and moving book is appropriate for all levels of students of congregational studies Sociology of Religion Gay or Queer Studies and Religion courses
