A Time Like No Other:

Remembering Transitions Ksenia Robbe, 2023-10-04 This volume offers critical perspectives on memories of political and socioeconomic transitions that took place between the 1970s and 1990s across the globe and that inaugurated the end of the Cold War The essays respond to a wealth of recent works of literature film theatre and other media in different languages that rethink the transformations of those decades in light of present day crises The authors scrutinize the enduring silences produced by established frameworks of memory and time and explore the mnemonic practices that challenge these frameworks by positing radical ambivalence or by articulating new perspectives and subjectivities As a whole the volume contributes to current debates and theory making in critical memory studies by reflecting on how the changing recollection of transitions constitutes a response to the crisis of memory and time regimes and how remembering these times as crises renders visible continuities between this past and the present It is a valuable resource for academics students practitioners and general readers interested in exploring the dynamics of memory in post authoritarian societies

The Times to Come Have Come David White, 2009-09-12 The times that have been foreseen foretold and mostly feared have suddenly come upon us These will prove to be times like no other in all of history If God had intended for you to live during any other age He would have arranged it Yet from the foundation of the world God has purposed that you would live on the earth during a time of both unprecedented deception and darkness and yet unequalled grace and glory God has promised hope and help in troubled times You may even discover that you were more prepared for these days than you had ever dreamed Because the times that were to come have come

O My America! Johanna Kaplan, 2013-08-06 DIVA delightfully funny and moving novel about the singular life of a cantankerous Jewish American writer and anarchist troublemaker as remembered by his daughter divDIV In 1972 sixty four year old Ezra Slavin s heart gives out at an anti war rally A contentious and irascible Jewish American writer anarchist and inadvertent guru to discontented youth he leaves behind a large extended family of ex wives lovers and children most of whom had cut all ties with the infuriating intellectual provocateur years earlier Out of the entire family only one daughter Merry a journalist can remember her father with her own critical conflicted understanding a saddened sympathy approaching love As the day of his

memorial approaches she attempts to make sense of the puzzle of Ezra's life before all of its disparate discordant elements come crashing together at the service.

divDIV The award winning author of *Other People's Lives* Johanna Kaplan creates a vivid cast of unforgettable characters who reveal the disparity between Ezra's long suffering neglected family his admiring friends and the youthful hangers on and most notably in the outrageously enigmatic Ezra himself At once hilarious and poignant *O My America* offers a fascinating evocation of a time and place in America a satiric history of the immigrant Jewish experience and a wonderful portrait of an exasperating yet endearing anti hero pursuing his unique vision of the American dream.

divDIV **Man in the Crowd** Stanley Cohen,2012-07 For Stanley Cohen baseball is the prism through which he views the events of the last seventy years In *The Man in the Crowd* Cohen chronicles America's changing mood and lifestyle from the years of World War II through the silent generation of the fifties the revolutionary turmoil of the sixties through the social decay of the seventies the excess of the eighties through the technological transformation of the nineties up through the sobering uncertainty of the post 9 11 present day His narrative spans four generations as he recounts in sparkling prose how for his immigrant father sports was a means of assimilation into life in the New World the warmth of watching his son and later his grandson both fall heir to his devotion and how the game of baseball has provided his life with its truest sense of continuity

God's Grand Finale and the End of the Age Gary D. Longbrake,2019-01-03 Through the ages many kings and prophets have desired to see the things we see and they did not see them we are the chosen generation Many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come The rebirth of the state of Israel and the return of the Jews to the Holy Land is prophesied more than any other event in scripture it is a sign of the times Theodor Herzl is considered to be the father of the modern state of Israel In his book *The Jewish State* published 1896 it is said that as a child he saw King Messiah in a dream who said to him Go declare to the Jews that I shall come soon and perform great wonders and great deeds for My people and for the whole world Theodor's prophetic dream comes to life in the Biblical prophecies presented in this book There is seen in the prophets a great and awesome SHOW of God's mighty power that shall take place in the last days It is a show of God's power that is greater than anything He has done before it is God's Grand Finale End Time events and the return of Christ will soon follow

Ancient Aliens, the Rapture and the Return of Christ Chet Cataldo,2011-05-24 Many cultures around the world have records of ancient aliens who visited them gave them knowledge and left Who are these aliens This book will identify these ancient aliens and describe a coming day when these aliens will return to the earth The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ

Revelation by the Book Steve Davis,2022-11-23 The vast majority of Christians are confused and uncertain about the book of Revelation and it is no wonder Ten different Bible commentators can present twelve different points of view on Revelation Bible teachers just adopt the viewpoint of their favorite Bible commentator Pastors tend to preach to the view point they were taught in seminary by a respected professor Ninety nine percent of

pastors and Bible teachers are not dogmatic about their view of Revelation and will profess that each of the various interpretations has merit but this is an unacceptable position Logically there can be only one correct interpretation of the book of Revelation The desire to find the one true interpretation of Revelation has been with me since I first began reading the Bible over twelve years ago After years of prayer study research and contemplation the fog of confusion began to clear The key is quite simple and yet difficult in that it is most elusive The key to unlocking Revelation is a complete trust in God

Main Street, Past & Present Charles Neuf, CPP, 2012-03-29 Charlie visits the past memories in his mind as he looks at today and has thoughts of yesterday putting them into short stories as he recalls For those who have not been a part of the Pre World War Two generation This will take you into the small t
