**Masked Men** Steve Cohan, 1997-12-22 The fifties marks the moment when a heterosexual homosexual dualism came to dominate U S culture's thinking about masculinity The films of this era record how gender and sexuality did not easily come together in a normative manhood common to American men Instead these films demonstrate the widely held perception of a crises of masculinity *Masked Men* documents how movies of the fifties represented masculinity as a multiple masquerade Hollywood's star system positioned the male actor as a professional performer and as a body intended to solicit the erotic interest of male and female viewers alike Drawing on publicity poster art fan magazines and the popular press as a means of following the links between fifties stars their films and the social tensions of the period Cohan juxtaposes Hollywood's narratives of masculinity against the personae of leading men like Cary Grant Humphrey Bogart John Wayne Charlton Heston Yul Brynner William Holden Montgomery Clift Marlon Brando and Rock Hudson *Masked Men* focuses on the gender and sexual masquerades that organized their performances of masculinity on and off screen *Someone Like You and That Summer* Sarah Dessen, 2019-04-23 *That Summer* and *Someone Like You* together in one volume from New York Times bestselling author Sarah Dessen Just when you think you've got everything figured out for yourself things get turned upside down Families change Lives end New lives begin And love sneaks up on you when you least expect it The trick is finding that one person you can always count on that one person who will throw out the rules and help you figure out how to deal with it all Here from acclaimed New York Times bestselling author Sarah Dessen are two books about girls who stick together and rise above the obstacles in their lives *The Encyclopedia of Hollywood Film Actors* Barry Monush, 2003-04-01 For decades *Screen World* has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now *Screen World* editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed *Screen World* archives with many rare shots

vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos **City of Dreams** Bernard F.

Dick,1997-01-01 Thus the age of corporate Hollywood arrived at Universal Pictures earlier than at other studios The Universal International merger in 1946 Decca's stock takeover in the early 1950s and MCA's buyout in 1962 all presaged today's Hollywood where the art of the deal often eclipses the art of making movies So what makes Universal unique The studio as city the fascination with backlot tours today's theme park slogan Ride the Movies all emphasize Universal's strong sense of place Stars and executives have come and gone shaping and reshaping the studio's image but through it all Universal's revolving globe logo has remained on movie screens around the world And unlike several other studios of Hollywood's golden age Universal still makes movies today Jane Fonda Patricia Bosworth,2011 In the hands of a seasoned tenacious biographer the evolution of one of the century's most controversial and successful women becomes nothing less than the enthralling saga of a mythic American life *Movie Comedians of the 1950s* Wes D.

Gehring,2016-10-27 The 1950s were a transitional period for film comedians The artistic suppression of the McCarthy era and the advent of television often resulted in a dumbing down of motion pictures Cartoonist turned director Frank Tashlin contributed a funny but cartoonish effect through his work with comedians like Jerry Lewis and Bob Hope A new vanguard of comedians appeared without stock comic garb or make up fresh faces not easily pigeonholed as merely comedians such as Tony Randall Jack Lemmon and Tony Curtis Some traditional comedians like Charlie Chaplin Red Skelton and Danny Kaye continued their shtick though with some evident tweaking This book provides insight into a misunderstood decade of film history with an examination of the personality comedians The talents of Dean Martin and Bob Hope are reappraised and the dumb blonde stereotype as applied to Judy Holliday and Marilyn Monroe is deconstructed **Lime Street Blues** Maureen Lee,2010-09-09 Another brilliant offering by the woman who through her novels has helped put Liverpool set literature on the map Liverpool Echo A superb novel of friendship love and rivalry set in the world of the 1960s Liverpool music scene 1960s Liverpool's glamorous world of music is the place to be So when Sean Lachlan and Max form The Merseysiders and Jeannie and Rita become part of The Flower Girls they put heart and soul into their performances and achieve success beyond their wildest dreams The greatest star of all is Sean McDowd adored by women everywhere yet unable to get his first love out of his mind But Jeannie Flowers has married Lachlan No one is prepared for the deceptions and betrayals that lie ahead
