

A photograph of a mountain landscape. In the center, a large, rounded rock formation is covered in bright yellow lichen or moss. The surrounding slopes are rocky and sparsely covered with green and brown vegetation. Several tall, dark evergreen trees are scattered across the landscape, particularly on the left and right sides. The sky is overcast with grey clouds. In the bottom left corner, there is a diagonal graphic element consisting of two overlapping triangles, one pink and one purple.

A Voice In The Wilderness:

A Voice in the Wilderness Charles H. Dyer,2004-08-01 The Bible is not a sterile Book immaculately conceived in some sort of mystical holy vacuum Though God is the ultimate Author He used human writers as His instruments And to interpret properly His Word we must enter their world The bleating of sheep on barren hills the mournful wail of a ram s horn trumpet on the temple steps the harsh clang of sword hitting sword in epic battle hang like tapestries in the background of every page Excerpt from A Voice in the Wilderness Life s struggles can make us feel as if we re wandering in the desert thirsty for hope and healing Using Isaiah 40 as a backdrop best selling author Charles Dyer takes us on a journey through ancient Judea for a vivid reminder that others before us have known suffering and just as God was present for them in their pain He will walk with us through our wilderness

A Voice in the Wilderness Grace Livingston Hill,2016-12-01 Aspiring teacher Margaret Earle heads to the desert to begin her first stint at the head of the classroom Along the way she experiences some ups and downs including a run in with a menacing cad and some merciless bullying at the hands of a few of her less welcoming students But when hero Lance Gardley comes onto the scene it all becomes worthwhile

A Voice in the Wilderness Phil Drabble,1991

A Voice in the Wilderness Grace Livingston Hill,2020-04-17 With a lurch the train came to a dead stop and Margaret Earle hastily gathering up her c hurried down the aisle and got out into the night It occurred to her as she swung her heavy suit case down the rather long step to the ground and then carefully swung herself after it that it was strange that neither conductor brakeman nor porter had come to help her off the train when all three had taken the trouble to tell her that hers was the next station but she could hear voices up ahead Perhaps something was the matter with the engine that detained them and they had forgotten her for the moment The ground was rough where she stood and there seemed no sign of a platform Did they not have platforms in this wild Western land or was the train so long that her car had stopped before reaching it

A Voice in the Wilderness (Annotated) Grace Livingston Hill,2020-11-25 While on her way to Arizona to teach school beautiful Margaret Earle suddenly finds herself lost in the wilderness When a ragged man happens across her in the middle of the night she believes help has arrived but he turns out to be even more threatening than the wilderness and Margaret runs from him in desperation Lost once more besieged by the elements terrified by the howling of wild beasts around her Margaret wonders how she will survive Enter Lance Gardley a handsome young cowboy who rides out of the darkness to save Margaret s life and together they discover a new understanding of true friendship and love
