A Walk One Winter Night A Real Christmas Story:

A Walk One Winter Night Al Andrews, 2016-10-04 What started as a simple late night stroll for a man who needed to clear his head from the hassles of the season turned into a life changing moment This enchanting and endearing Christmas tale invites you to take a closer look at the wise men Mary and Joseph and even the Christ child himself Freshly repackaged with updated art throughout A Walk One Winter Night will open your eyes to the joy and wonder you can experience this holiday season **The Northwestern Miller** ,1886 **How Christmas Became Christmas** Nathaniel Parry, 2022-10-31

In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday s core character By tracing Christmas s origins as a pagan celebration of the winter solstice and its development in Europe s Christianization this history explains that the true reason for the season has as much to do with the earth s movement around the sun as with the birth of Christ Chapters chronicle how Christmas s magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs [50 Cents for a Life: A True Story of Surviving by Synchronicity](#) Bernard Rosenfeld, Nancy Rosenfeld, 2024-04-05 Amidst the panic of World War II Europe a young Jewish man s desperate escape crossing perilous borders magically unfolds through the lens of synchronistic openings Kept safe and sane by artistic talents and a miraculous fate survivor s guilt for family loss casts its spell despite an enchanted life of accomplishment A gripping true story painted with strokes of determination as a destiny is forever altered by unseen protection perseverance and the healing power of creative expression For almost half a century details of Bernard s early life were kept hidden even from his daughters It was safer that way afraid of what might occur if he allowed himself to feel He didn t share his unimaginable escape from Lithuania alone at age 17 guided by angel like synchronicity He didn t share the horrific loss of family in the Holocaust and his relentless search for even a tiny drop of evidence about their paths Hiding behind a successful busy life with his American family in the deep South he finally surrendered to the emotional battle of survivor s guilt haunted by visions of family he ached to honor It was time His secret manuscript belonged with his four adult daughters Incredible photos and documents accompanied raw words transmitting his story through the darkened eyes of an alone young man scrambling to survive Clearly something magical safeguarded him Unexpected synchronicities shielded his exit path where armies stood days before A divine invitation to speak in Washington DC shed sorrows for astounding connections Newly discovered artistic talents transformed torment to inspiring beauty Enter this cathartic historical memoir with unique perspectives of survival hope and triumph as anguish is transformed by artistry in a mission for self peace eclipsed by 50 cents that saved his colorful life Bernard s deeply personal

story inspires perseverance to continue on where paths appear impossible Hold onto hope that magical unknown help is on the horizon Historically informative details and timelines of WW2 theater follow his escape route from Eastern Europe to America and later when sent back from whence he came discover startling orders given to a non U S citizen drafted into the U S military A decades long search for evidence about family members killed in the Holocaust reveals bold assertive actions in a quest for truth and validation of a town and life destroyed Bernard s vivid descriptions invite sensory experiences with his every move When he is sad and lonely we feel it in our hearts When he is in denial we understand When he is intrigued we re eager to jump in and help When he passionately paints to express and release we join in each stroke of healing A touching memoir with lessons of history artistic healing and persevering to live life to the fullest **From Ghetto to Glory** Asim Suah Khalfani,2017-05-08 This book is about the trials and triumphs about the life of Asim Suah Khalfani He was born with a single parent in a poverty stricken home in one of the most dangerous and worst neighborhoods in Winston Salem North Carolina where people were more than likely to become one of four things on drugs selling drugs in and out of the penal system or dead Take the journey as Asim explains how God had different plans for his life in which he had to overcome conquer metamorphose transfigure and master life after learning to allow and submit to God by using him to be an encourager and encouragement to others This jaw dropping roller coaster ride will have you speechless laughing crying and cheering from start alpha to end omega as you read how God transformed a fatherless boy into a powerful and God fearing man **Courage in the Late Night Hours** Elizabeth Moody,2025-01-08 Shortly after college student Jane Hughes father a war correspondent is killed in Ukraine she receives a startling call from Paul Holychuk a solicitor ten years her senior He informs Jane that not only is she the heir to her father s family s assets she has family connections in Edmonton that she knew nothing about including a grandfather who s now in a long term care home Pausing her studies at McGill University Jane travels to Edmonton to sort things out As Jane navigates her new reality Paul delves into his own family s past discovering a deep connection between their families dating back to World War Two Paul s grandfather Joseph and Jane s great grandfather Bill flew on the same bomber with the Royal Canadian Air Force They remained close after the war with Bill becoming a journalist and Joseph a police detective For Paul and Jane who worked together exploring past diaries journals and letters from their famous aviation families the journey into the courage and sacrifice of aircrew flying in dark skies and suffering vast losses became an inspirational story of the power of the Canadian spirit in the face of a horrific regime A story about who we are as a nation the true north strong and free faced with the same sinister threats to democracy and the values of western civilization in today s world But things become complicated when a series of unsolved murders is linked to Jane s family and suspicions arise that Joseph may have concealed the killer s identity out of loyalty to Bill As Jane and Paul investigate the mysteries that entwine their families they are drawn closer together uncovering secrets that span decades as well as unexpected feelings for each other Adding to the intrigue is a supernatural presence with at least one
