N. Middleton, 2011-09-15 **Postmodern Fiction and the Break-Up of Britain** Hywel Dix, 2011-11-03 This study explores how British identity has been explored and renegotiated by contemporary writers It starts by examining the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis informs different literary texts Having first analysed a series of novels that draw an implicit parallel between the end of the British Empire and the break up of the unitary British state the study explores how contemporary writing in Northern Ireland Scotland and Wales contributes to a sense of nationhood in those places and so contributes to the break up of Britain symbolically Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland Scotland and Wales It is also an imaginary process that can be found occurring on a number of other conceptual coordinates Feminism class regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain *The Love-charm of Bombs* Lara Feigel, 2013-07-09 A portrait of World War II era London by five literary volunteers documents their experiences as ambulance drivers firefighters and other civilian aids through the course of a single night in September 1940 20 000 first printing *The Unquiet Englishman* Richard Greene, 2021-01-12 A Finalist for the 2022 Edgar Award A Washington Post Best Nonfiction Book of the Year A vivid deeply researched account of the tumultuous life of one of the twentieth century s greatest novelists the author of *The End of the Affair* One of the most celebrated British writers of his generation Graham Greene s own story was as strange and compelling as those he told of Pinkie the Mobster Harry Lime or the Whisky Priest A journalist and MI6 officer Greene sought out the inner narratives of war and politics across the world he witnessed the Second World War the Vietnam War the Mau Mau Rebellion the rise of Fidel Castro and the guerrilla wars of Central America His classic novels including *The Heart of the Matter* and *The Quiet American* are only pieces of a career that reads like a primer on the twentieth century itself *The Unquiet Englishman* braids the narratives of Greene s extraordinary life It portrays a man who was traumatized as an adolescent and later suffered a mental illness that brought him to the point of suicide on several occasions it tells the story of a restless traveler and unfailing advocate for human rights exploring troubled
