A Year Of Summer Shadows:

A Year of Summer Shadows Alice Orr, 2015-04-19 A YEAR OF SUMMER SHADOWS by ALICE ORR Mark Hailey's Story Hailey Lambert loves her North Country life but she doesn't love some of her North Country memories Riverton was a great place to grow up except for Hailey's trouble with the Hargate's Now Julia Hargate is back in Hailey's life and Virginia Julia's domineering mother is back too Hailey would like to send them both packing except for the fact that Julia's in a mess that could take away her freedom and maybe her life Hailey has no choice but to help Mark Kalli has had his eye on Hailey for a long time but she won't give him the time of day Now she's mixed up in the murder of sleazy Finley Yates It looks like spoiled heiress Julia Hargate is the killer Hailey says that's not true and insists she has to help Mark has no choice but to get involved with the killing and with Hailey whether she wants him around or not **Summer of Shadows** Jonathan

Knight, 2010-12-01 Summer of Shadows is an intertwining narrative that tells the story of the 1954 Cleveland Indians which would etch itself in history as one of the greatest baseball teams in MLB history and the infamous murder of the wife of Dr Sam Sheppard in their home along the shore of Lake Erie which held both the city and the nation spellbound that summer Both of these generation defining stories take place in the final days of the Best Location in the Nation the nickname for the Cleveland of the 1950s which truly was one of the great and most influential cities in America The Sheppard case would influence the television series The Fugitive a decade later and give Cleveland's reputation a black eye following the shoddy and unethical behavior of the city's police department and news media which led to the conviction of an innocent man Meanwhile the 1954 Indians would post the greatest season in American League history and dethrone the five time champion New York Yankees in a dramatic pennant race culminating in a September doubleheader before 86 000 fans at Cleveland Stadium The powerful Indians would then be swept by Willie Mays and the New York Giants in the World Series These two parallel tragedies harbingers an onslaught of adversity that dragged Cleveland from its lofty standing as a leading American city to one with a bleak even comic reputation Summer of Shadows is essentially a postcard from that gilded age when the city enjoyed its own golden October not knowing that decades of dismal bitter winter lay ahead *A Shadow in Summer*
