Abandoned But Not Alone Kingdom Book 1:

Inescapable (Road to Kingdom Book #1) Nancy Mehl,2012-07-01 Page Turning Romantic Suspense Set Against the Backdrop of a Small Mennonite Town Lizzie Engel is used to running away At eighteen she left her Mennonite hometown her family and her faith with plans never to return Five years later Lizzie finds she ll have to run again False accusations at her job a stalker and a string of anonymous threatening letters have left her with no other options This time however her escape is back to Kingdom her hometown As Lizzie becomes reacquainted with Kingdom she realizes she may not have left her Mennonite roots and her faith as firmly in the past as she thought She draws on the support of Noah Housler an old friend as she hides out and attempts to plan her next steps When it becomes painfully clear that the danger has followed Lizzie to Kingdom suspicions and tensions run high and she no longer knows who to trust With her life and the lives of those she loves at risk Lizzie will have to run one last time to a Father whose love is inescapable *Parabolic Figures or Narrative Fictions?* Charles W. Hedrick,2016-06-10 Hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church Rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed The parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution The narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of Jesus under the control of the church s later religious perspectives Each narrative represents a fragment of Jesus s secular vision of reality Finding himself outside the mainstream of parables scholarship both ecclesiastical and critical Hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of Jesus These early essays form the central section of the book They are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response Hosea John James Given,1888 **THE HOLY BIBLE, CONTAINING THE OLD AND NEW TESTAMENTS, WITH A Commentary and Crtical Notes** ADAM CLARKE, LL.D., F.A.S.,1854 **The Holy Bible Containing the Old and New Testaments** Adam Clarke,1826 Modern Church ,1892 **Bankers Monthly** ,1919 **The Advance** ,1903 **Dictionary of the Apostolic Church** James Hastings,John Alexander Selbie,John Chisholm Lambert,1919 The Standard ,1903
