Ladies Who Punch Ramin Setoodeh, 2025-09-23 THE INSTANT NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Like *Fire Fury* the gossipy real life soap opera behind a serious show When Barbara Walters launched *The View* network executives told her that hosting it would tarnish her reputation Instead within ten years she d revolutionized morning TV and made household names of her co hosts Joy Behar Star Jones Meredith Vieira and Elisabeth Hasselbeck But the daily chatfest didn t just comment on the news It became the news And the headlines barely scratched the surface Based on unprecedented access including stunning interviews with nearly every host award winning journalist Ramin Setoodeh takes you backstage where the stars really spoke their minds Here s the full story of how Star then Rosie then Whoopi tried to take over the show while Barbara struggled to maintain control of it all a modern day *Lear* with her media savvy daughters You ll read about how so many co hosts had a tough time fitting in suffered humiliations at the table then pushed themselves away feeling betrayed one nearly quitting during a commercial Meanwhile the director was being driven insane especially by Rosie Setoodeh uncovers the truth about Star s weight loss and wedding madness Rosie s feud with Trump Whoopi s toxic relationship with Rosie Barbara s difficulty stepping away Plus all the unseen hugs snubs tears and one dead rodent *Ladies Who Punch* shows why *The View* can be mimicked and mocked but it can never be matched

and heartbreak she suffered when her mother passed away her triumphant return to GMA after her medical leave and the tremendous support and love of her family and friends that saw her through her difficult times Following her mother's advice to make your mess your message Robin taught a nation of viewers that while it is true that we've all got something a medical crisis to face aging parents to care for heartbreak in all its many forms we've also all got something to give hope encouragement a life saving transplant or a spirit saving embrace As Robin has learned and what readers of her remarkable story will come to believe as well it's all about faith family and friends And finding out that you are stronger much stronger than you think

Hollywood TV Christopher Anderson,1994 The 1950s was one of the most turbulent periods in the history of motion pictures and television During the decade as Hollywood's most powerful studios and independent producers shifted into TV production TV replaced film as America's principal postwar culture industry This pioneering study offers the first thorough exploration of the movie industry's shaping role in the development of television and its narrative forms Drawing on the archives of Warner Bros and David O Selznick Productions and on interviews with participants in both industries Christopher Anderson demonstrates how the episodic telefilm series a clear descendant of the feature film became and has remained the dominant narrative form in prime time TV This research suggests that the postwar motion picture industry was less an empire on the verge of ruin as common wisdom has it than one struggling under unsettling conditions to redefine its frontiers Beyond the obvious contribution to film and television studies these findings add an important chapter to the study of American popular culture of the postwar period

In Search of the Wild Tofurky Seth Tibbott,Steve Richardson,2020-04-07 The founder of Tofurky reveals how an idealistic hippie living in a treehouse created a global brand and sold millions of products without selling out In this entertaining memoir Seth Tibbott reveals how he achieved overnight success but only after fifteen years of intrepid failure He tells the triumphant tale of how a self described hippie with no business training but plenty of enterprising goals grew a 2 500 startup into a global brand and ushered in a plant based foods renaissance along the way Tibbott took home a grand total of 31 000 in his first nine years of striving to bring to the people a nearly unknown soy product tempeh he knew in his gut was revolutionarily tasty He eschewed a buttoned up lifestyle and resided in tipis trailers and a treehouse rented workspace to piano repairing circus clowns and even briefly counted the infamous Rajneeshees as clients Tibbott was never one to chase the money or try to fit in Instead he built a business that fit him Thus Tibbott discovered the secret sauce

ingredients that took his now international brand from fameless to fame ish to famous bootstrapping building business intuition and staying true to his belief in eco friendly practices In Search of the Wild Tofurky proves that a good idea can change the world and make money no matter the naysayers or the sometimes harsh twists and turns of the unconventional path Expert advice and inspiration from a most unconventional source An education in the business of ethics Eric C Lindstrom author of The Skeptical Vegan **The American Encyclopaedic Dictionary** ,1897
