Aberration Murder Awaits:

The Willow King Meelis Friedenthal, 2017-08-01 A deeply engrossing philosophical novel by a rising Estonian literary star. Wrapped into his long coat against the incessant rain and accompanied by a strange parrot the young Dutch student Laurentius arrives in Estonia on an icy day at the end of the seventeenth century. On the run from a dark past and suspected of heresy he has fled to Tartu, The City of the Muses, to study at the famous university. Laurentius has been searching obsessively for a cure for the mysterious melancholy which torments him and is desperate to understand where the soul comes from and how it relates to the body. But the more he searches the more he is attracted to the world of instinct, superstition and magic of the peasants in the surrounding countryside. A world which he knew as a child but which now persecutes him in dreams and visions which increasingly blur with reality. In this astonishingly atmospheric novel Friedenthal enters the bowels of Shakespeare's century to tell the story of anguished modernity and of the advent of the Age of Enlightenment while medicine is still progressing on the lines of humours, fears and alchemy and the dark North dreams of radiant antiquity of symposia in Mediterranean gardens among the sweet hum of the bees, the birds of the muses, the souls of poets.

Aberrations Camilla Church #466, 2017-07-10 *Aberrations* is a window into the world of Mr Trudeau's Cabaret. It is a place where sex, voyeurism and sorrow meld together nightly. Michael Trudeau is a sleek, highly educated owner and pimp of this club. He oversees hundreds of girls in a vast underground network of the flesh trade. When Hope and Chastity are murdered with orchids left as a calling card, he is the obvious suspect as he is also a world renowned orchid grower. Homicide investigator Sergeant Matthews and his partner Harriss are assigned the case earmarked as serial killings. Join them as they explore this world and enter the belly of the beast. No one who learns about these lives and deaths will emerge unscathed.

Why Being Yourself Is a Bad Idea Graham Tomlin, 2020-09-17 Most people just want to be happy and to make a difference in the world. We're often told we'll achieve this by being ourselves, but when we begin to reflect that's not quite as simple as it sounds. All sorts of questions and countercultural notions arise. Maybe trying to be yourself is not such a good idea after all. In this book Graham Tomlin dares us to let go of some of the assumptions we make about life. Drawing on current research, contemporary events and ancient wisdom, he offers an invitation to journey to places we may never have imagined before. In doing so, he vividly reveals how the revolution that Christianity began can still make remarkable sense of our experience of wonder, love, evil, justice, identity and freedom. Exploring these universal experiences in a down-to-earth, easy-to-read manner, *Why Being Yourself is a Bad Idea* is a book for anyone struggling with the search for identity and self-discovery and will leave you uplifted and reassured that seeking God can and will help you to make sense of life. Intriguing and provocative speaking to our deepest concerns and heaviest questions. James Mumford, author of *Vexed: Ethics beyond political tribes*, I kept saying YES as I turned the pages of this book. Pete Greig, author of *How to Pray*.
