After Dark Wilkie Collins:

After Dark (EasyRead Comfort Edition) Wilkie Collins, 2023 After Dark, and Other Stories Wilkie Collins, 1899

After Dark (Annotated) Wilkie Collins, 2016-06-18 After Dark is a collection of six short stories by Wilkie Collins first published in 1856 It was the author's first collection of short stories Five of the stories were previously published in Household Words a magazine edited by Charles Dickens The stories are linked by a narrative framework At the beginning and end of the book are Leaves from Leah's Diary William Kerby a travelling portrait painter is in danger of losing his sight and is required by his doctor to cease painting for a while His wife Leah realizes that destitution threatens He is a good story teller and Leah has the idea of writing down his stories and publishing them Each story has a prologue which was added to the original story that appeared in Household Words **After Dark** Wilkie Collins, 2019-12-30 After Dark is a collection of six short stories by Wilkie Collins first published in 1856 It was the author's first collection of short stories Five of the stories were previously published in Household Words a magazine edited by Charles Dickens After Dark Wilkie Collins, 2014-07-20 After Dark by Wilkie Collins A Collection of Six Short Stories I have taken some pains to string together the various stories contained in this Volume on a single thread of interest which so far as I know has at least the merit of not having been used before The pages entitled Leah's Diary are however intended to fulfill another purpose besides that of serving as the frame work for my collection of tales In this part of the book and subsequently in the Prologues to the stories it has been my object to give the reader one more glimpse at that artist life which circumstances have afforded me peculiar opportunities of studying and which I have already tried to represent under another aspect in my fiction Hide and Seek This time I wish to ask some sympathy for the joys and sorrows of a poor traveling portrait painter presented from his wife's point of view in Leah's Diary and supposed to be briefly and simply narrated by himself in the Prologues to the stories I have purposely kept these two portions of the book within certain limits only giving in the one case as much as the wife might naturally write in her diary at intervals of household leisure and in the other as much as a modest and sensible man would be likely to say about himself and about the characters he met with in his wanderings If I have been so fortunate as to make my idea intelligible by this brief and simple mode of treatment and if I have at the same time achieved the necessary object of gathering several separate stories together as neatly fitting parts of one complete whole I shall have succeeded in a design which I have for some time past been very anxious creditably to fulfill **After Dark** Wilkie Collins, 2015-11-06 I must also gratefully acknowledge an obligation of another kind to the accomplished artist Mr W S Herrick to whom I am indebted for the curious and interesting facts on which the tales of The Terribly Strange Bed and The Yellow Mask are founded Although the statement may appear somewhat superfluous to those who know me it may not be out of place to add in conclusion that these stories are entirely of my own imagining constructing and writing The fact that the events of some of my tales occur on foreign ground and are acted out by foreign personages appears to have suggested in some quarters the inference that the

stories themselves might be of foreign origin Let me once for all assure any readers who may honor me with their attention that in this and in all other cases they may depend on the genuineness of my literary offspring The little children of my brain may be weakly enough and may be sadly in want of a helping hand to aid them in their first attempts at walking on the stage of this great world but at any rate they are not borrowed children The members of my own literary family are indeed increasing so fast as to render the very idea of borrowing quite out of the question and to suggest serious apprehension that I may not have done adding to the large book population on my own sole responsibility even yet **After Dark** Wilkie Collins, Sheba Blake, 2021-12-01 Curl up with After Dark the first collection of early detective fiction master Wilkie Collins short stories Including a diverse array of mysteries tales of murder and family drama in wartime and other chaotic settings this engrossing collection is sure to have something that appeals to every reader **After Dark** Wilkie Collins, 2001-12-01 Statement by the author I have taken some pains to string together the various stories contained in this Volume on a single thread of interest which so far as I know has at least the merit of not having been used before **After Dark by Wilkie Collins, Fiction, Short Stories** Wilkie Collins, 2004-02 Included in this volume are A Terribly Strange Bed A Stolen Letter Sister Rose The Lady of Glenwith Grange Gabriel s Marriage and The Yellow Mask **After Dark (1856) by** William Wilkie Collins, 2017-02-08 William Wilkie Collins 8 January 1824 23 September 1889 was an English novelist playwright and short story writer His best known works are The Woman in White 1859 No Name 1862 Armadale 1866 and The Moonstone 1868 The last is considered the first modern English detective novel Born into the family of painter William Collins in London he lived with his family in Italy and France as a child and learned French and Italian He worked as a clerk for a tea merchant After his first novel Antonina was published in 1850 he met Charles Dickens who became a close friend mentor and collaborator Some of Collins s works were first published in Dickens journals All the Year Round and Household Words and the two collaborated on drama and fiction
