After The Fact The Art Of Historical Detection:

After the Fact James West Davidson, Mark H. Lytle, 2000 The authors argue that there is a troubling growing disinterest in or even animosity toward the study of the past How is it that when historians have found so much that excites curiosity other people find history irrelevant and boring The authors suggest that if these individuals had a better understanding of how historians go about their work how they examine evidence how they pose questions and how they reach answers studying history would become more engaging adapted from introduction **After the Fact: the Art of Historical Detection.
