After You Believe Why Christian Character Matters:

After You Believe N. T. Wright, 2010-03-02 From the author of the acclaimed *Simply Christian* and *Surprised by Hope* comes a book that addresses the question that has plagued humans for centuries what is our purpose As Christians what are we to do with that ambiguous time between baptism and the funeral It s easy to become preoccupied with who gets into heaven the real challenge is how we are going to live in the here and now Wright dispels the common misconception that Christian living is nothing more than a checklist of dos and don ts Nor is it a prescription to follow your heart wherever it may lead Instead *After You Believe* reveals the Bible s call for a revolution a transformation of character that takes us beyond our earthly pursuit of money sex and power into a virtuous state of living that allows us to reflect God and live more worshipful fulfilling lives We are all spiritual seekers intuitively knowing there is more to life than we suspect This is a book for anyone who is hoping there is something more while we re here on Earth There is We are being called to join the revolution and Wright insightfully encourages readers to find new purpose and clarity by taking us on an eye opening journey through key biblical passages that promise to radically alter the work of the church and the direction of our lives

Renewing Moral Theology Daniel A. Westberg, 2015-04-02 Moral theology rooted in Thomas Aquinas has long found its home in the Catholic and Anglican traditions and in recent years it has become more familiar through the perspective known as virtue ethics *Renewing Moral Theology* unfolds an ethical perspective that is Thomistic in structure evangelical in conviction and Anglican in ethos **Narnian Virtues** Thomas Lickona, Mark A. Pike, 2021-11-25 In this engaging and practical book Mark Pike and Thomas Lickona show how C S Lewis wisdom for nurturing good character and his much loved *Chronicles of Narnia* inspire us to virtue Drawing upon the Judeo Christian virtues of faith hope and love and Narnian virtues such as courage integrity and wisdom they present an approach to contemporary character education validated by recent research An introduction to C S Lewis thought on character and faith is followed by practical examples of how to use well known passages from the *Narnia* novels as a stimulus for rich character development at home and in the classroom

Kingdom First Robert Roxburgh, 2025-03-27 We live in difficult times for both the culture and the church Believers can find fulfillment and assurance by endeavoring to follow the call of Jesus in Matt 6 33 to seek first God s Kingdom and His righteousness This book is full of stories that indicate ways in which believers can be helped to live as Jesus proposes Such a life is not easy and everyone faces struggles but it is worthwhile In God s kingdom believers experience new values caring community vibrant worship and leadership in various forms which grow out of Christian character Whatever the chaos of the present world believers can live truthfully hopefully compassionately and with a listening ear to the needs of the world around us *Aquinas's Eschatological Ethics and the Virtue of Temperance* Matthew Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In *Aquinas s Eschatological Ethics and the Virtue of Temperance* Levering

argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the *Summa theologiae* which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology
