Against the Protestant Gnostics Philip J. Fake Salvation in Modern Gnostic America Christopher Raoul Carranza, 2025-07-22 Timing is everything For half a century Christopher Raoul Carranza along with others has been passionately criticizing dispensationalist pastors and mainstream American churches for promoting a distorted version of salvation Nineteenth century Dispensationalism is a contemporary version of a gnostic gospel that has existed for nearly two millennia But suddenly the very people who had dogmatically defended Protestant easy believism and the old dispensational gospel are themselves adding contradictory conditions to their teachings Why It appears that by borrowing the dispensational foundational teachings like behavior doesn't matter an emphasis on Christ's finished work on the cross and the practice of the sinner's prayer pseudo conversion the homosexual community has found a cure for the chronic blindness of mainstream Protestantism and dispensationalism Many mainstream pastors are now rushing to reassess and reshape core beliefs and doctrines that were once regarded as foundational and unquestionably biblical Churches are splitting over this issue In this book Carranza illustrates how the entirety of American Protestantism has gradually degenerated into a more nuanced and insidious manifestation of the already distorted nineteenth century American religious mindset What began as a slow fall to the bottom a Christianity that prioritized pleasing the masses and catering to their desires for a more palatable form of faith turned into a landslide

Revival of the Gnostic Heresy J. Morris, 2008-11-24 In this rigorous and provocative study Joe E Morris argues that the basic tenets and practices of Fundamentalism are those of ancient Christian Gnosticism Drawing on extensive research and careful analysis Morris aligns the two religious phenomena point by point tenet by tenet Along the way he provides insights into the key hermeneutic of Fundamentalism inerrancy of Scripture highlighting the multiple problems with the positions of literal and inerrant interpretation their impracticality and unfeasibility and their contradiction with their own

conservative doctrine namely the Incarnation of Jesus Christ This groundbreaking book dramatically recasts our understanding of the history of Christianity and gives important context to modern day religious debates The New Birth of Christianity Richard A. Nenneman,1992 Handbook to the Controversy with Rome Karl von Hase,1909 Pentecostal Currents in American Protestantism Edith Waldvogel Blumhofer,Russell P. Spittler,Grant A. Wacker,Grant Wacker,1999

Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements that have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism s encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change *Cracking the Gnostic Code* Walter Wink,1993 **Toronto Journal of Theology** ,1995 Telos ,2002
