Premium Website Printed Access Card for Van Camp/Olen/Barry's Applying Ethics, 10th Julie C. Van Camp, Jeffrey Olen, Vincent Barry, 2010-03-02 **Case Studies in Criminal Justice Ethics** Michael Braswell, Larry Miller, Joycelyn Pollock, 2011-08-30 Building on the success of the popular first edition the authors provide hypothetical criminal justice scenarios for analysis having found in their experience as teachers that the process adds depth and dimension to the study of justice and ethics This expanded second edition offers ten new cases addressing the intricate process of moral and ethical decision making Focusing on both personal and social context the authors explore true to life situations and encourage readers to think about the possible consequences that could result from the choices they make The case studies provide realistic portrayals of current dilemmas in policing courts corrections and juvenile justice Political and noble cause corruption perjury and judicial prosecutorial misconduct ethnic and gender prejudice and many other social and criminal justice themes are featured Following each scenario are thought provoking questions to facilitate personal reflection and class discussion Each section contains a bibliography of topical books and articles for readers interested in a more in depth treatment of the issues **Applying Ethics** Jeffrey Olen, Vincent E. Barry, 2002 This best seller combines text readings and cases to provide an outstanding introduction to moral philosophy engaging students in the most perplexing issues of our time without sacrificing philosophical integrity Numerous readings by philosophers and writers and contemporary case studies make chapter topics lively centerpieces for discussions Each chapter begins with the author s presentation of the topic and is followed by readings with brief introductions This is then followed by cases that enhance the application of concepts to the real world Both readings and cases are followed by Questions for Analysis **The Tragedy of Common Sense** John P. Clark, 2016-08-01 Introduction by Salvatore Engel Di Mauro Foreword by Ariel Salleh This book takes as its object of critique one of the best known and most influential arguments in contemporary applied ethics which is biologist Garrett Hardin s case for lifeboat ethics John Clark analyzes the moral dimensions of world hunger foreign aid immigration policy and population growth Clark critiques the lifeboat ethics as a way to explore in depth both the common and the commons It is about the truth we hold in common and about certain falsehoods that we hold in common This book also contains Garrett Hardin s 1974 essay Living on a Lifeboat **Luke-Acts** James P. Grimshaw, 2018-09-20 This volume on Luke Acts as with all titles in the Texts Contexts Series highlights readings that make explicit the diverse contemporary contexts of biblical interpreters The global spread of contributors includes scholarly voices from South Africa South America and Hong Kong as well as from the United States The chapters are organized around four themes The first examines interpretations of Jesus looking at his childhood contemporary context and his teaching including whether Jesus sympathetic response to disease and pain might be used to advocate euthanasia The second examines social categories gender race and class including a political and racialized reading of the history of diasporic Black America as a model for reading Acts as a

diasporic history The third examines issues of empire and resistance The final part looks at society and spirituality with a focus on modern contemporary contexts **What Would Jesus Really Do?** Andrew Fiala,2007 What Would Jesus Really Do examines what Jesus says and doesn't say about complicated contemporary ethical issues including abortion euthanasia the death penalty war homosexuality and the family Christian Egalitarian Leadership Áida Besançon Spencer,William David Spencer,2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God's love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing entitlement that relies on an innate or permanent human hierarchy of rank Responding to today's conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders carefully explain how sharing leadership follows God's intentions and is crucial to implement today The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals women and men of different races and economic and social classes Chapters overview New Testament teachings biblical authority Old Testament and contemporary examples God's intention at creation pagan philosophy's influence on Christian hierarchal leadership multicultural and multi ethnic leadership in the United States and Africa marriage rearing children equipping youth and laity church planting retirement and missions from the cradle to the mission field Environmental Ethics ,2008

Business Ethics Through Movies Wanda Teays,2015-06-15 *Business Ethics Through Movies A Case Study Approach* examines a wide range of ethical dilemmas principles and moral reasoning that arise in contemporary business through a series of popular films and real world case studies Engages readers in learning about ethical theory by using movies and both national and international case studies in business as the vehicle for analysis and reflection Facilitates comprehension of ethical issues by showing how characters in films confront issues make choices and face the consequences Draws from a variety of actual cases in Business Ethics from the 1982 Tylenol poisoning and the 1989 Exxon Valdez disaster to recent examples such as the Foster Farms salmonella outbreak and the chemical spill in West Virginia Reveals the important role that ethics plays in setting the moral foundation of a business or corporation Develops critical thinking skills through applying analytical checklists to ethical dilemmas raised in films and in actual cases in Business Ethics **Critical Thinking Unleashed** Elliot D. Cohen,2009-10-16 From alcohol and drug addiction to rage on national highways and in airports many human beings have kept themselves in perpetual turmoil and despair From encroachment on individual rights and liberties to wars of attrition and mass genocide human history has continually repeated itself due to a failure to see the light Containing numerous skill building exercises Critical Thinking Unleashed seeks to cultivate the reasoning skills required to overcome such destructive human tendencies and to live meaningful and productive lives in a democratic society In contrast to other treatments of practical reasoning Elliot D Cohen not only teaches students how to identify and refute

irrational premises he also teaches them how to construct rational antidotes to combat the personal social and political obstacles they confront in everyday life Moreover Cohen encourages students to use the theories and ideas embodied in the history of philosophy in order to construct these rational guides drawing examples from many contemporary sources Demonstrating the practical relevance and import of many historically significant philosophers e g Socrates Aristotle Epictetus Hume Kant Mill Sartre and Nietzsche the book presents a practical non technical and comprehensive approach to critical thinking
