

**Guided Reading & Analysis: The American Revolution and Confederation, 1774-1787**  
**Chapter 5: The American Revolution and Confederation, pp 43-104**

**Reading Assignment:**

Ch. 5 (AMSCO) or other resource for content corresponding to Period 3.

**Purpose:**

This guide is not only a place to record notes as you read, but also to provide a place and structure for reflection and analysis using higher level thinking skills with new knowledge gained from the reading.

**Basic Directions:**

- 1. Pre-Read:** Read the prompts/questions within this guide before you read the chapter. Flip through the chapter and note the title and subtitle. Look at images and their captions. Get a feel for the content you are about to read.
- 2. Read/Analyze:** Read the chapter. Remember, the goal is not to "fill" for a specific answer to reading guide questions, but to develop *general* ideas in order to critically understand what you read.
- 3. Write:** Write your notes and analysis in the spaces provided.

*Image courtesy of Mrs. Ryan Davidson, 2011*

**Key Concepts FOR PERIOD 3:**

**Key Concept 3.1:** British attempts to assert tighter control over the North American colonies and the colonial reaction to protest self-government led to a colonial independence movement and the Revolutionary War.

**Key Concept 3.2:** The American Revolution's democratic and republican ideal inspired new experiments with different forms of government.

**Key Concept 3.3:** Migration within North America and competition over resources, boundaries, and trade intensified conflicts among peoples and nations.

**Guided Reading, pp 85-95**

As you read the chapter, add your notes in the middle column. Consider your notes to be elaborations on the Objectives and Main Ideas presented in the left column. When you finish the section, analyze what you read by answering the questions in the right hand column.

**1. The First Continental Congress p. 85-86**

| Key Concepts & Main Ideas                                                                                                                                                                                                                 | Notes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Analysis                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
