Chapter 5: The American Revolution

I. The States United

- Faced the task of mobilizing for war against the world's greatest armed power
- A. Defining American War Aims
 - Second continental congress met in the State House in Philadelphia, w/ delegates from every colony except Georgia
 - Agreed to support the war, but disagreed about its purpose
 - -Approved one, last conciliatory appeal to the king, the "Olive Branch Petition"
 - -Reasons Americans changed their minds from redress of grievances to independence
 - 1. Cost of war- human and financial
 - 2. Lingering affection for England diminished
 - -British recruited Indians, slaves and foreign mercenaries (Hessians)
 - 3. Believed British govt. was forcing them toward independence
 - -Rejected Olive Branch Petition
 - Prohibitory Act closed colonies to over seas trade and made no concessions to American demands
 - Enforced by a British naval blockade
 - -Thomas Paine wrote Common Sense in January 1776
 - Changed the outlook of Americans towards the war
 - Paine wanted to turn anger toward root of the problem English Constitution
 - It was the king and the system that permitted him to rule, that was to blame

B. The Decision for Independence

- Common Sense sold more than 100,000 copies in first few months
- Continental Congress declared American ports open to all ships except
 GB and entered into communication w/foreign powers
- -July 2nd, 1776, Congress adopted a resolution
- -July 4th 1776, Congress approved Declaration of Independence
- Thomas Jefferson wrote most of Declaration w/ help from Benjamin
 Franklin and John Adams
- Expressed ideas voiced in colonies in preceding months; town meetings, artisan & militia orgs, county officials, grand juries, Sons of Liberty & colonial assemblies
- -Declaration split in two parts:
 - 1. Govt. formed to protect rights of life, liberty, & property (Locke's contract)
 - Listed the crimes of the king
- -Declaration led to increase in foreign aid and led to France's intervention

C. Response to Independence

- -Loyalists were true to the king, while Tories were supporters of independence
- -Aftermath of D of I, colonists began to call themselves states
- November 1777, Congress adopted Articles of Confederation ratified in 1781
 - Confirmed weak, decentralized system w/ limited power over the states

D. Mobilizing for War

 New govt. faced challenges of raising and organizing armies, providing them with supplies and equipment, and finding a way to pay for it all
