

Chapter 5: The American Revolution

I. The States United

- Faced the task of mobilizing for war against the world's greatest armed power

A. Defining American War Aims

- Second continental congress met in the State House in Philadelphia, w/ delegates from every colony except Georgia
 - Agreed to support the war, but disagreed about its purpose
- Approved one, last conciliatory appeal to the king, the "Olive Branch Petition"
- Reasons Americans changed their minds from redress of grievances to independence
 1. Cost of war- human and financial
 2. Lingering affection for England diminished
 - British recruited Indians, slaves and foreign mercenaries (Hessians)
 3. Believed British govt. was forcing them toward independence
 - Rejected Olive Branch Petition
- Prohibitory Act closed colonies to over seas trade and made no concessions to American demands
 - Enforced by a British naval blockade
- Thomas Paine wrote *Common Sense* in January 1776
 - Changed the outlook of Americans towards the war
 - Paine wanted to turn anger toward root of the problem -English Constitution
 - It was the king and the system that permitted him to rule, that was to blame

B. The Decision for Independence

- Common Sense sold more than 100,000 copies in first few months
- Continental Congress declared American ports open to all ships except GB and entered into communication w/ foreign powers
- July 2nd, 1776, Congress adopted a resolution
- July 4th 1776, Congress approved Declaration of Independence
- Thomas Jefferson wrote most of Declaration w/ help from Benjamin Franklin and John Adams
- Expressed ideas voiced in colonies in preceding months; town meetings, artisan & militia orgs, county officials, grand juries, Sons of Liberty & colonial assemblies
- Declaration split in two parts:
 1. Govt. formed to protect rights of life, liberty, & property (Locke's contract)
 2. Listed the crimes of the king
- Declaration led to increase in foreign aid and led to France's intervention

C. Response to Independence

- Loyalists were true to the king, while Tories were supporters of independence
- Aftermath of D of I, colonists began to call themselves states
- November 1777, Congress adopted Articles of Confederation – ratified in 1781
 - Confirmed weak, decentralized system w/ limited power over the states

D. Mobilizing for War

- New govt. faced challenges of raising and organizing armies, providing them with supplies and equipment, and finding a way to pay for it all
