

Astral Projection

When we sleep each night, our spirits leave our bodies. Just because our bodies grow tired, doesn't mean our soul needs to rest! When we sleep, our soul goes off on adventures. We can speak to our soul guides; we can visit our loved ones, and we can even travel to other planets and dimensions. When you have dreams of flying or strange adventures, it wasn't just made up in your head. It's likely memory of something you actually experienced! And when we wake up each morning, our silver cord is reeled back in so we can re-enter our body.
