At Any Cost Destiny:

At Any Cost Thomas F. O'Boyle, 2011-01-12 O Boyle has researched and written a monumental book that should be mandatory reading for all CEOs and anyone concerned with business ethics The Philadelphia Inquirer Superb a spirited study of General Electric and of its sometimes brilliant sometimes bungling but always ruthless boss Jack Welch Chicago Sun Times With convincing passion and meticulous research Thomas F O Boyle explores the forces behind General Electric s rise to the top of Wall Street questioning if GE with chief executive officer Jack Welch at the helm is still bringing good things to life Welch explosive profit hungry and pragmatic catapulted GE s stocks to the top up 1 155 percent from 1982 to 1997 O Boyle argues that these astounding results have come only with the heavy price of employees lives blighted under the tyranny of Neutron Jack Welch so named for his bomb like ability to eliminate staff without disturbing surrounding operations During Welch s reign hard nosed success tactics unblinking downsizing ruthless acquisition negotiations and the virtual abandonment of manufacturing in favor of the more glamorous entertainment and financial services industries coexist with scandals like price fixing pollution and defense contract fraud Sure to spark controversy this gripping comprehensive account begs the greater question Is Jack Welch s GE a model company for business in the next century or is it time to change the way the world does business Smoothly written and thoroughly researched USA Today This book makes a valuable contribution to our understanding of corporate America Thomas F O Boyle persuades you that GE Jack Welch s GE brings bad things to life In abundance Washington Monthly

A State at Any Cost Tom Segev, 2019-09-24 2019 National Jewish Book Award Finalist A fascinating biography a masterly portrait of a titanic yet unfulfilled man this is a gripping study of power and the loneliness of power The Economist As the founder of Israel David Ben Gurion long ago secured his reputation as a leading figure of the twentieth century Determined from an early age to create a Jewish state he thereupon took control of the Zionist movement declared Israel s independence and navigated his country through wars controversies and remarkable achievements And yet Ben Gurion remains an enigma he could be driven and imperious or quizzical and confounding In this definitive biography Israel s leading journalist historian Tom Segev uses large amounts of previously unreleased archival material to give an original nuanced account transcending the myths and legends that have accreted around the man Segev s probing biography ranges from the villages of Poland to Manhattan libraries London hotels and the hills of Palestine and shows us Ben Gurion s relentless activity across six decades Along the way Segev reveals for the first time Ben Gurion s secret negotiations with the British on the eve of Israel s independence his willingness to countenance the forced transfer of Arab neighbors his relative indifference to Jerusalem and his occasional nutty moments from UFO sightings to plans for Israel to acquire territory in South America Segev also reveals that Ben Gurion first heard about the Holocaust from a Palestinian Arab acquaintance and explores his tempestuous private life including the testimony of four former lovers The result is a full and startling portrait of a man who sought a state at any cost at times through risk taking violence and

unpredictability and at other times through compromise moderation and reason Segev's Ben Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill a twentieth century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today *Devil in the Details* GEG,2023-01-24 When Koi is handed a missing persons case she finds twelve missing young women all from southern states the year 2010 She asked an old detective friend from the New Orleans Police Homicide unit Sarg if she can enlist the help of his partner Jordan Matthews was a former football player at LSU Koi asks if he can interview a couple of professors of a student who attended LSU and went missing at the same time as Jordan Jordan's case a murder case becomes entangled with the FBI as the agency wants to arrest the Mexican drug lord whose American girlfriend ordered the hit on Jordan's victim Jordan and Koi become lovers working both cases together With the help of an eccentric FBI hacker Liz they find the real clues that leads them to an abandon cemetery **The Power of Fate** Gisele G. Barbosa,2007-02 This is the story of the irresistible chemistry of Destiny and the love of a man and a woman a bond they could not understand a journey they never suspected Who will win Fate or Family Their story is the continuance of one begun four hundred years before at the crossroad of Fate But today Marcel and Monique must struggle to realize the fruits of their powerful feelings The Ministry of David Baldwin Henry Thomas Colestock,1907 *Destiny's Story* Mathilda No,2023-06-23 The story begins with Destiny sitting alone in her prison cell feeling completely detached In a solemn reflective state she mulls over her past actions bad decisions and life experiences Her parents had migrated from Africa to France before she was born marking the start of a life of movement spending her childhood living between Africa and France with her family Despite a visual impairment Destiny was successful academically Popular within her community sociable and creative she dreamt of becoming a famous singer or actress but drug and alcohol abuse began to darken her life This was the beginning of trouble misadventure and challenging relationships Realising that France was no longer the place for her Destiny finds herself on the move once more looking to improve her life An intriguing opportunity arrives when Destiny is offered a dream holiday to an idyllic tropical island Accepting this offer was a decision that she would forever regret This personal moving and emotional journey ends with an event that was foreshadowed at the start of the book the arrest of Destiny and her friend at an international airport The National Review ,1899 *The Popular History of England from the Earliest Times to the Year 1848* Philip Smith,1883 *Government of the Shadows* Eric Wilson,2009-01-20 This book uncovers the activities of clandestine governments It explores how covert political activity and transnational organised crime are linked and how they ultimately work to the advantage of state and corporate power Using a variety of case studies from the mafia in Italy to programmes for food and reconstruction in Iraq the authors illustrate that parapolitical structures are not deviant but central to the operation of global governments The creation of this parallel world economy the source of huge political and economic potential entices states to undertake new forms of regulation either through their own intelligence agencies or through the

more shadowy world of criminal cartels *The Perfect Robbery* Nikhil Patkar, 2017-06-05 There is a dark corner in every beautiful task beautiful corner in every dark task Most of the time society invites the crime some people accept that invitation This book is based on four exceptionally talented thieves Their unbelievable robbery tricks will blow your mind An unintentional incident of one night made their life miserable What happen that night Will they survive
