At Home In Covington Ladies Of Covington:

At Home in Covington Joan Medlicott, 2004-07-20 In this acclaimed addition to Joan Medlicott's USA TODAY bestselling series new joys overcome new troubles as the unforgettable Ladies of Covington embrace life in their small North Carolina mountain town. A dark cloud is hovering over the usually cheery farmhouse that Grace, Hannah, and Amelia share. Grace has lost someone dear to her and the mysterious diary from the past has turned Hannah's life upside down. To raise their spirits the three ladies take an exotic Caribbean cruise and return with many wonderful stories. But sharing such close quarters while traveling has stirred up conflict and Amelia and Hannah are suddenly questioning whether they want to continue living in the farmhouse together. Meanwhile Grace faces her own challenges: the young girl she mentors unknowingly becomes involved with an Internet predator and Grace's diabetes worsens. Yet new joy enters their lives when Hannah's daughter has a baby boy and when Hannah finally lays her past to rest she may just be ready to set a wedding date with Max. With warmth and charm this celebration of female friendship will inspire and delight readers whether they're meeting these wonderful women for the first time or visiting Covington once more.

From the Heart of Covington Joan Medlicott, 2010-04-01 The three spunky ladies who so charmed readers in *The Ladies of Covington*, *Send Their Love*, and *The Gardens of Covington* welcome us back to the small Southern town of Covington to their quaint white farmhouse with yellow shutters on Cove Road. Life lessons abound throughout *From the Heart of Covington* as housemates Hannah, Grace, and Amelia continue to surround themselves with love and hope, meeting each new challenge with equanimity and heart and placing their trust in one another as their friendship strengthens and grows. In helping a dear friend and neighbor cope with illness, the ladies develop a deeper mutual compassion and a true appreciation for the softness of heart and toughness of spirit that join them as women. Amelia, feeling strong and adventurous, takes a momentous trip to New York City to further her burgeoning photography career. Grace, kindhearted as ever, becomes involved with a little girl at the local elementary school who may be having terrible problems at home. Meanwhile Hannah's daughter, Laura, is involved in a tragic accident that has serious consequences for all concerned. With the same compassion and heart readers have already come to know and love, Joan Medlicott once again reveals how life's journeys and challenges only strengthen our loving commitments to family, friends, and loved ones. It's another inspiring message of courage, self-acceptance, and hope.
