Bible Code II The Countdown:

Bible Code II Michael Drosnin, 2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world *The Bible Code* Michael Drosnin, 1997 Vol 2 has title Bible code II the countdown **2012, the Bible, and the End of the World** Mark

Hitchcock, 2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can we trust the Mayan alarm clock Does the Bible say anything about 2012 What signs will tell us that Armageddon is near This book provides a fascinating survey of both the historical past and the prophetic future Readers will discover how to effectively counter baseless speculation with biblical fact **The Bible Code 2.** Michael Drosnin, 2003-09 A sequel to *The Bible Code* A hidden code in

the Bible has been unlocked by computer and it may reveal our future The author claims that the code foresaw everything from World War II to both Kennedy assassinations and that it forces us to accept that we are not alone in the universe **The Bible Code II** Michael Drosnin, 2002 Argues that a secret mathematical code hidden in the Hebrew text of the Bible and first discovered by Eliyahu Rips foretells the September 11 2001 attacks nuclear war in the Middle East and other future events

Bible Code Bombshell R. Edwin Sherman, 2005-07-01 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded

sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics

The Third Day Bible Code Kermit Zarley, 2006 i The Third Day Bible Code i examines a third day motif that occurs in some of the most important events in the history of Israel recorded in the Bible Whether one agrees with the author s sensational thesis about the timing of Christ s return this book will serve as a strong apologetic for Jesus resurrection and strengthen Christians in their faith **The Bible Code Princess Diana and Dodi Fayed** Pamela Lillian
