Biblical Preaching Robert Curry, 2023-12-11 Preaching is a demand of the Bible that is fitted with a specific purpose and a strong theological base. It is the proclamation of the word of God and is done in churches throughout the world. Preaching plays a role in the spiritual formation of its hearers, helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey. The topics of preaching can be found in both the Old and New Testaments within several different genres, but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts. As a topic of preaching, the parables can be understood as examples of allegory, simile, and/or metaphor. The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it. Preaching is a demand of the Bible and a specific task of those who are privileged to do it.

Anointed Expository Preaching Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word.

Preaching Christ in a Postmodern Culture K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism, this work goes on to assess the feasibility of preaching in a postmodern culture which rejects

both the idea of absolute truth and authority used as power. It traces the historical and philosophical development of postmodernism. The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative. In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned, this book offers some guidelines about preaching to postmoderns. In a relational age, rationality is impotent but the author distinguishes between authoritative and authoritarian preaching, allowing hope for the survival of the homiletic task. Humility is presented as preferable to certitude and persuasion is redefined. The author suggests using an inductive mode of communication as a means of engaging postmodern listeners. He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible. Thus, this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy.

The Worlds of the Preacher Scott M. Gibson, 2018-04-17 Building on Haddon Robinson's philosophical approach to preaching, this book brings together accomplished evangelical preachers and teachers to help students and pastors understand the world's biblical, cultural, and personal influences that impact their preaching. The contributors explore the various inner and outer worlds in which a preacher functions with the goal of helping preachers sharpen their craft. Foreword by Bryan Chapell.

A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla.

Preaching and Teaching Difficult Texts of the New Testament Bryan Murawski, 2025-08-05 Understand how to preach or teach all the New Testament, including passages or genres that prove challenging. What do preachers do when they come across a difficult passage not covered in seminary? What about teachers who haven't even been to seminary? This book equips all of them to understand and handle challenging passages and genres in the New Testament, such as Introductions, lists of names, and conclusions in the epistles. Well-known, well-worn stories, short passages, texts that may not be considered inspired or that have textual issues, Old Testament quotations or allusions, References to noncanonical texts such as Enoch or Maccabees, Enigmatic passages such as baptized on behalf of the dead (1 Cor 15:29), Potentially explosive topics such as homosexuality and gender, Eschatological texts such as Jesus' Olivet Discourse, or the book of Revelation. Preaching and teaching the Bible is difficult work, but it's worth the effort. As Paul wrote to Timothy, all Scripture is inspired and useful for teaching, even the difficult ones. If we know where to look and how to dig, significant treasure awaits the adventurous preacher and teacher.
