Bruce Jenner On 20 Or 20:

HOAX of Biblical Proportions Edward Hendrie, 2023-12-22 Satan knows that God has promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan s strategy is to obscure God s words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt Bibles instead of God s infallible Scriptures The devil can then lead men astray from the true gospel This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God It will reveal how Satan is using profane Bible versions to divert the world away from God s inspired Holy Scriptures The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God s inspired King James Holy Bible *The Rise and Triumph of the Modern Self* Carl R. Trueman, 2020-10-26 Modern culture is obsessed with identity Since the landmark Obergefell v Hodges Supreme Court decision in 2015 sexual identity has dominated both public discourse and cultural trends and yet no historical phenomenon is its own cause From Augustine to Marx various views and perspectives have contributed to the modern understanding of self In *The Rise and Triumph of the Modern Self* Carl Trueman carefully analyzes the roots and development of the sexual revolution as a symptom rather than the cause of the human search for identity This timely exploration of the history of thought behind the sexual revolution teaches readers about the past brings clarity to the present and gives guidance for the future as Christians navigate the culture s ever changing search for identity

When Harry Became Sally Ryan T. Anderson, 2025-11-11 Can a boy be trapped in a girl s body Can modern medicine reassign sex Is our sex assigned to us in the first place What is the most loving response to a person experiencing a conflicted sense of gender What should our law say on matters of gender identity *When Harry Became Sally* provides thoughtful answers to questions arising from our transgender moment Drawing on the best insights from biology psychology and philosophy Ryan Anderson offers a nuanced view of human embodiment a balanced approach to public policy on gender identity and a sober assessment of the human costs of getting human nature wrong This book exposes the contrast between the media s sunny depiction of gender fluidity and the often sad reality of living with gender dysphoria It gives a voice to people who tried to transition by changing their bodies and found themselves no better off Especially troubling are the stories told by adults who were encouraged to transition as children but later regretted subjecting themselves to those drastic procedures As Anderson shows the most beneficial therapies focus on helping people accept themselves and live in harmony with their bodies This understanding is vital for parents with children in schools where counselors may steer a child toward transitioning behind their backs Everyone has something at stake in the controversies over transgender ideology when misguided antidiscrimination policies allow biological men into women s restrooms and penalize Americans who hold to the truth about human nature Anderson offers a strategy for pushing back with principle and prudence compassion and
