A Mens Ministry For The Small Church:

A Men's Ministry for the Small Church Karl W. Kloppmann, 2004-03 This book is a thorough and well documented study on why churches need to develop effective men's ministries. Containing a wealth of vital information, this is a solid treatment of the biblical basis for male leadership in the church. The thrust of the book is that the development of men is the slow but sure way to build the church for men; either positively or negatively, it impacts every aspect of church and family life. Jesus invested his life in a small group of men, and those men changed the world. **How to Build a Life-Changing Men's Ministry** Steve Sonderman, 2010-03-01 The past few years have brought a God-sent explosion of opportunities for men to grow spiritually. Large meetings, weekend retreats, urban and overseas mission projects lead men to want more. What can men in a local church or fellowship do, week in and week out, to grow into what God wants them to be? As one of only a handful of full-time men's pastors across the country, Steve Sonderman is on the leading edge of local church ministry to men. **How to Build A Life Changing Men's Ministry** overviews the nuts and bolts of putting together a men's ministry that works. It provides both inspiration and expert guidance for men who want to bring the fire home. **Mobilizing Men for One-on-One Ministry** Steve Sonderman, 2010-09-01 Men's breakfasts, golf outings, and other events still have a place in men's ministry. But Steve Sonderman is finding that the most effective ministry is relational rather than programmatic. Drawing from the successes at his church and others, Sonderman shows leaders how to motivate and mobilize their men to minister to each other. Readers learn what men are looking for today, how men grow spiritually, and how to develop a leadership pipeline in their church. **Effective Men's Ministry** Zondervan, 2010-06-01 Developing and fine-tuning a thriving men's ministry takes perseverance, but it will pay huge dividends in the health of your church and its families. **Effective Men's Ministry** gives you the tools you need to start smart and stay strong. Here is information you can really use right away and in years to come. Created by the National Coalition of Men's Ministries, this comprehensive handbook takes you through the five stages of building a powerful life-changing men's ministry in your church. Prominent pastors and men's leaders such as Pat Morley, Ed Cole, Haman Cross, Phil Downer, Steven Farrar, Jack Hayford, and Willie Richardson share their knowledge and experience. Here is your indispensable toolkit for bringing men together and helping them bond in purpose, heart, and spirit. Includes worksheets, exercises, and sidebars. Some of the twenty-six topics covered are: Getting Things Right the First Time, The Pastor's Role, Building a Leadership Team, Upside Down Leadership, Getting Men to Jesus, Teaching Men to Pray, Encouraging Vital Relationships, Working with Men Who Fail, Men of All Colors, Unity in Diversity, Becoming Irresistible, Husbands, Fathers, and Sons, Successful Men's Retreats. **How to Build a Life-Changing Men's Ministry** Steve Sonderman, 1996 Sonderman presents the nuts and bolts of assembling a men's ministry that works: planning strategically, kicking off a ministry building, leadership, developing healthy small groups, and expanding vision for missions and outreach. This book provides both inspiration and expert guidance for men who want to bring the fire home. **Engage** Brian Doyle, 2017-07-01 Engage

our goal is to discover God's blueprint for local churches and local communities of believers. We also share practical ways to build local churches according to God's blueprint. Our goal is not to present one set of methods and techniques but rather discover what God wants the local church to be. Each one of us will have to make our own journey with God as we develop our local congregations according to God's blueprint. Each one of us will have to discover our own expression of this blueprint in our local communities. Since God is a creative God, He has many ways and many expressions of His blueprint. The one common denominator is that we are all pursuing the same blueprint for each local church. The blueprint describes God's design. It is God's original intent. It highlights main characteristics. It describes key features. It points to important focus areas. When we follow His blueprint, we know we are moving in the right direction and will eventually arrive at the right destination for our local churches.

Your Ministry And God's Blueprint

Regardless of what your ministry is inside or in relation to the local church, it is important that what you do is aligned to God's blueprint for His people. As a pastor or senior pastor, your responsibility is to ensure that the local church is growing and developing in all dimensions according to God's blueprint. As an itinerant evangelist, teacher, prophet, or apostle, whenever you minister to a congregation, your goal is to help impart and increase the congregation in some way according to God's design for the local church. Whether you serve as a youth pastor, worship leader, in children's church, in women's ministry, in men's ministry, or in small groups, you are working toward establishing God's blueprint in the lives of His people in that local church. Follow God's design closely, and you will not go wrong.
