The Holy Longing Connie Zweig, 2008-04-08 Longing is the core of mystery. Longing itself brings the cure. Rumi: In every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship, spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry when we misplace it onto objects such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. The Holy Longing tells the stories of teachers in many traditions: Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena, whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people: Catholic believers, students of Zen, and TM followers of Trungpa Rinpoche and Rajneesh, and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith, moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way.

Meeting the Shadow on the Spiritual Path Connie Zweig, 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment. Explains why we are drawn to charismatic leaders, what we unconsciously give away to them, and how to reclaim our inner spiritual authority. Explores how to recover from spiritual abuse or betrayal by a teacher or group, including breaking free of denial, projection, and dependency using psychology and shadow work. Extends MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways, leaving their followers traumatized and lost. Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves, to awaken to our unity with all of life. Yet no matter the spiritual path we choose, we inevitably encounter our own shadow, those unconscious aspects of ourselves that we suppress or deny, or the shadows of our teachers and their secret desires about money, sex, and power. Meeting the shadow can derail the journey, but according to Connie Zweig, Ph.D., we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity. Calling on us to expand our vision of religious and spiritual life and our vision of awakening to include the human shadow, Zweig examines the yearning that sets us on the spiritual path, showing how it can lead to ecstatic, transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher, priest, or guru who abuses

power She tells the stories of renowned teachers Sufi poet Rumi Hindu master Ramakrishna and Christian saint Catherine of Siena whose lives unfolded as they followed their spiritual yearning And she tells the cautionary tales of contemporary teachers of Buddhism Hinduism and Catholicism who acted out their shadows in devastating ways leaving their followers traumatized and lost She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality She describes how to use spiritual shadow work to separate from abusive teachers reclaim inner spiritual authority and heal from betrayal With guidance for both inspired and disillusioned seekers the author explores how to navigate the narrow path through the darkness toward the light rekindle the flame of longing and once again engage in fulfilling spiritual practice
