Muslim View Of Christianity (a) Irfan A. Omar,2010 **A Muslim View of Christianity** Mahmoud Ayoub,2007 *The Qur'an in Christian-Muslim Dialogue* Corrie Block,2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur'an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur'an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur'an and the history of Christian Muslim relations **A Christian View of Islam** Thomas F. Michel,Irfan A. Omar,2014-07-30 A collection of essays on Christian Muslim relations by one of the world's leading experts **Encountering Others, Understanding Ourselves in Medieval and Early Modern Thought** Nicolas Faucher, Virpi Mäkinen,2022-12-05 Recent research has challenged our view of the Abrahamic religious traditions as unilaterally intolerant and incapable of recognizing otherness in all its diversity and richness but a diachronic and comparative study of how these traditions deal with otherness is yet to appear This volume aims to contribute to such a study by presenting different treatments of otherness in medieval and early modern thought Part I Altruism deals with attitudes and behaviors that benefit others regardless of its motives We deal with the social rights and emotions as well as the moral obligations that the very existence of other human beings whatever their characteristics creates for a community Part II Religious recognition and toleration considers identity toleration and mutual recognition created by the existence of religious or ethnic otherness in a given social religious or political community Part III Evil deals with religious otherness that is considered evil and rejected such as heretics and malevolent demonic entities The volume will ultimately inform the reader on the nature of religious toleration including beliefs and doctrines even emotions as well as of the self definition of religious communities when encountering and defining otherness in different ways African Catholicism and Hermeneutics of Culture Joseph Ogbonnaya,2014-08-05 The study of Christianity in the non Western world reveals a demographic shift in the center of Christianity from the Northern Hemisphere to the South But the contradictory aspect of the massive African conversion to Christian faith is the grinding poverty level in Africa This condition raises important theological and ecclesiological questions that demand urgent answers Therefore the research objectives of this book are to examine African Catholicism's involvement in human promotion and to seek a new way of theologizing

Christianity that moves sub Saharan African peoples to action against the massive injustices that keep them poor Drawing on Africae Munus the Post Synodal Apostolic Exhortation of the Second African Synod 2011 and Bernard Lonergan s notion of culture African Catholicism and Hermeneutics of Culture argues that to truly be the spiritual lung of humanity African Catholicism must appropriate the Christian message to transform African attitudes and personhood and so foster a self reliant commitment to integral African development *Christian-Muslim Dialogue in the Twentieth Century* A.

Siddiqui,1997-02-19 The book describes the challenge of modernity faced by Muslims and Christians and the issue of religious pluralism It describes Muslims encounters with Christianity in the first half of this century and their participation in organised dialogues initiated by the Churches in the second half It highlights their apprehensions and expectations in dialogue and issues of co existence in the world today The book focuses on six prominent Muslim personalities who represent a wide spectrum of Muslim opinion and three international organizations and their attitude towards dialogue **The**

Mission and Death of Jesus in Islam and Christianity A. H. Mathias Zahniser,2017-09-15 The common wisdom is that Christians and Muslims should dialogue only about what they agree on This book takes a different approach As the author observes If we focus only on our common ground we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart *American Book Publishing Record* ,2007 *Historical Dictionary of Catholicism* William J. Collinge,2021-08-15 This work covers the whole

history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism
