Islamic Marketing Čedomir Nestorović, 2016-05-28 This book analyzes the current Islamic marketing environment Since the Muslim world is extremely diverse in terms of economic development customs and traditions and political and legal systems it is vital for companies and marketers to analyze the environment before attempting to address these markets The author emphasizes that it is ineffectual to elaborate the distribution and promotion strategies if the market does not exist in terms of purchasing power or demographics if potential consumers do not believe that products and services answer their needs and demands or if there are political and legal barriers to companies wanting to enter these markets The book offers detailed insights into the economic socio cultural and politico legal environment in the Muslim world which are essential for marketers to understand and form the foundations of effective marketing strategies **A Muslim's Guide To Investing & Personal Finance** Virginia B. Morris, 2008 Islamic Perspectives on Marketing and Consumer Behavior: Planning, Implementation, and Control Rishi, Bikramjit, 2015-02-28 In today s increasingly connected business world there is new pressure for local brands to go global and a need for already global corporations to cater to new audiences that were previously ignored Islamic Perspectives on Marketing and Consumer Behavior Planning Implementation and Control brings together the best practices for entry and expansion of global brands into Islamic countries This book is an essential reference source for professionals looking to incorporate the laws and practices of Islam into the global presence of their company and presents a cutting edge look at worldwide retail for marketing researchers and academics **Guide to Understanding Islamic Investing** Virginia B. Morris, Brian D. Ingram, 2001 **The Principles of Islamic Marketing** Baker Ahmad Alserhan, 2016-03-03 The Principles of Islamic Marketing fills a gap in international business literature covering the aspects and values of Islamic business thought It provides a framework and practical perspectives for understanding and implementing the Islamic marketing code of conduct It is not a religious book The Islamic Economic System is a business model adopted by nearly one quarter of the world s population Baker Alserhan identifies the features of the Islamic structure of International Marketing practices and ethics Adherence to such ethical practices elevates the standards of behaviour of

traders and consumers alike and creates a value loaded framework for meaningful cooperation between international marketers and their Muslim markets His book provides a complete guide for an organization when managing its entire marketing function or when customising part of its offering to suit Muslim customers It addresses the challenges facing marketers involved in business activities with and within Islamic communities the knowledge needs of academic institutions and the interest of multinationals keen on tapping the huge Islamic markets Along the way Baker Alserhan provides insights into key elements such as distribution channels retailing practices branding positioning and pricing all within the Muslim legal and cultural norms This second edition brings the book up to date and features a number of new case studies and two additional chapters on Maqasid Al Shariah and the Islamic economy and a strategic perspective on Islamic marketing and branding
