A Journey Through Darkness Margareth Maganga,2010-09-27 Many of us may live our lives without ever stopping to think What if I couldn't see We hardly ever ask ourselves this question because to say the least we take our eyes for granted I like most people had never thought about it until 11th January 2008 My mother came to wake me up that morning and asked what I was still doing in bed and confidently I replied It is still dark outside Mum She told me it was 8am and the sun was shining bright a typical African morning I rubbed my eyes opened them wider and yelled out I can't see I can't see That was the beginning of a long journey through darkness
