your vision and equip you to pray passionately and powerfully for the salvation and renewal of your city Each chapter takes a passage of Scripture and suggests 5 things to pray for an area of city life Because when we pray in line with God s priorities as found in his word our prayers are powerful and effective James 5 v 16 and that s a truly thrilling prospect This book has been developed in partnership with London City Mission and Redeemer City to City and is flexible enough to be used whatever your urban context Use this book to Guide your prayers during your personal quiet times Equip church members to pray meaningfully for your city Help you prepare expressive public intercessions for church Fuel your church prayer meeting Initiate and take part in a city wide prayer movement **Make Your City a House of Prayer** Lynn Ferder,2015-07-30 This book explores the pastor intercessor relationship in making our city a house of prayer by suggesting ways to rethink how we can interact with cross denominational leadership opening the way for unity to flourish Additionally we provide guidelines for appropriate altar ministry and corporate prayer settings prayers for youth and children and tools for writing your own prayers addressing the mission and vision statement of your own or other ministries We also address the business aspect of starting a ministry and walk the reader through the process of taking a small prayer group from the home into the community and making your city a house of prayer Any book with a title like Make Your City a House of Prayer begs to be read We in the USA are such an independent individualistic bunch and often suffer from not praying and working together to advance His Kingdom in our cities and nation Such heart unity my colleagues and I have observed in many national prayer initiatives is what facilitates the breakthroughs and transformations of the Lord even in impossible discouraging oppressive situations We do need the kind of paradigm that Lynn Ferder shares in her book She has much experience in personally living out this paradigm and in training many others to do so Her guidelines for corporate united prayer and the place of children and youth will also be extremely valuable I heartily endorse this book and its wonderful theme May it catch on across our nation and in other nations as well John Robb chairman International Prayer Connect **Christ + City** Jon M. Dennis,2013-04-30 Paris Nairobi Tokyo Chicago For the first time in history over half of the world s population lives in cities and yet evangelicals make up only 2% of many major urban populations In this urban manifesto pastor and author Jon Dennis argues that the greatest need of our day is for the transformative news of the gospel to enliven the cities of the world Dennis powerfully highlights God s special love for cities exploring important issues related to city dwelling and offering real world advice for reaching urbanites With Christ exalting biblically based insights this book serves as a rallying cry for a new generation of Christians who are passionate about seeing the kingdom of God take root and flourish in some of the darkest yet most strategic places on earth *A Guide to the Holy City. Or, directions and helps to an holy life, etc* John Reading,1651 **A Living Islamic City** Titus Burckhardt,2020-09-01 The Moroccan city of Fez founded in the ninth century CE is one of the most precious urban jewels of Islamic civilization For more than 40 years Titus Burckhardt worked to document and preserve the artistic and architectural heritage of Fez in particular and Morocco in general These newly

translated lectures delivered while Burckhardt was living and working in Fez explore how the historic city can be preserved without turning it from a living organism into a dead museum city and how it can be adapted and updated using the values that gave birth to the city and its way of life Aided by photographs and sketches made during the course of his lifetime Burckhardt conveys what it means to be a living Islamic city
