A Private Family Matter A Memoir:

A Private Family Matter Victor Rivas Rivers, 2006-04-29 This is a story about how I was saved by love at a time when most people considered me beyond rescue begins Victor Rivas Rivers in this powerful chronicle of how he escaped the war zone of domestic violence too often regarded as a private family matter and went on to become a good man a film star and a prominent activist The Cuban born author begins by recalling when he was kidnapped along with three of his siblings by his own father who abandoned Victor's pregnant mother and took the children on a cross country hell ride that nearly ended in a fatal collision This journey of survival portrays with riveting detail how instead of becoming a madman like his father Victor was saved by a band of mortal angels Miraculously seven families stepped forward along with teachers and coaches to empower him on his road from gang member to class president through harrowing and hilarious football adventures at Florida State and with the Miami Dolphins to overcoming the Hollywood odds and becoming a champion for all those impacted by domestic violence Though at times Victor's odyssey is heartbreaking and disturbing *A Private Family Matter* is ultimately a triumphant testament to humanity courage and love Profound and poignant it is a compelling memoir with a cause Victor Rivers's way of thanking all the angels and advocates who made a difference in his life is by trying to make a difference in all of ours

A Private Family Matter Victor Rivers, 2005 Rivers childhood was marked with violence Even when his family escaped Cuba and Castro Rivers and his mother still had to endure violence at the hands of a jealous and strict father This is his story

Ra Ta Ee Ka Ravi Hanj, 2024-04-17 The term

autobiography has been fancifully interpreted as Atma Charitre in Kannada which loosely means History of Soul or History of Self Consequently many Indian autobiographies or Histories of Souls tend to focus more on the self than the soul and portray history as glory transforming autobiographies into a grandiose celebration of the self In my personal opinion it often feels like an exaggerated form of self indulgence resembling a glorified expression of self gratification This self centered narrative of glory does not limit itself to mere me and mine but extends to the whole nine damn chakras and then shoots through the enlightened infinity and beyond Hence it is rare to come across autobiographies that genuinely explore the harmonious interaction between the individual and society offering readers the joy of witnessing the writer s selfless engagement and integration with their community rather than with the self It perplexes me how someone with a profound understanding of the soul can write such egocentric tales in the name of selfless soul philosophy Indeed it is challenging for anyone within a society or community to comprehend such self centered life stories Therefore my tale does not revolve around extraordinary souls or unnatural superhumans It is a familiar story of a curious child who grew up observing the fundamental aspects of society and striving to find their place within the community much like you me or any average individual

Eileen Chang: The Performativity of Self-Translation Jessica Tsui-yan Li,2025-06-16

Eileen Chang The Performativity of Self Translation by Jessica Tsui yan Li focuses on the self translation of Zhang Ailing Eileen Chang 1920 1995 one of the most important Chinese writers of the twentieth century Although self translation is overlooked in most studies of her work Chang s literary achievements are attributed in part to her lifelong self translation of her lived experiences and family sagas as well as her bilingualism This book enriches current studies of self translation by proposing a new hypothesis of theorizing self translation as a performative act characterized by its in betweenness and the aesthetic freedom that the self translator enjoys contextualized within larger debates about translation and the specific practice of self translation in Chinese history in comparison to its Western counterpart

Sebastian. Melanie Martins,2023-10-14 We swore each other forever Until his pride ruined us Julia From the moment I fell in love with Sebastian I had always seen him as my beacon my unwavering anchor in the unpredictable sea of life Our love was something out of a fairy tale deep and all consuming But as time ticked by his pride grew and his unsettling animosity towards our future daughter in law Roxanne began to eclipse our once radiant bond And now an unexpected betrayal threatens to tip our relationship into oblivion As the winds of doubt howl my mother s urgent whispers push me towards the thought of parting ways with my one true half At this harrowing juncture caught between the love I once cherished and the mounting pressures that might tear us apart one question haunts me Can a love once so profound survive amidst the ruins of trust and the weight of external forces
