A Question Of Integrity:

A Question of Integrity Susan Howatch, 2000-02 *A Question of Values*, 2021-11-22 This volume contains ten chapters each of which takes up a different question in contemporary moral or political philosophy The volume has three parts meta ethics issues in freedom and autonomy and contemporary political philosophy In the meta ethical section the chapters address issues concerning acts and their value the plausibility of aggregation and counting with respect to the value of human lives and the role of moral character in causing and explaining moral behavior In the second section the chapters take up questions about the connection between moral imagination and a plausible account of integrity the connection between autonomy and rights to property and the difficulties facing internalist accounts of autonomy In the final section the chapters address issues concerning feminist critiques of Rawlsian liberalism the limits of liberalism and communitarianism the importance of understanding Rawls's social contract as a contract for institutions and the morality of nationalist movements These chapters reflect a cross section of the issues concerning value that are of contemporary scholarly interest in Canada and the United States

Metchnikoff and the Origins of Immunology Alfred I. Tauber, Leon Chernyak, 1991-07-25 This fascinating intellectual history is the first critical study of the work of Elie Metchnikoff the founding father of modern immunology Metchnikoff authored and championed the theory that phagocytic cells actively defend the host body against pathogens and diseased cells His program developed from comparative embryological studies that sought to establish genealogical relations between species at the dawn of the Darwinian revolution In this scientific biography Tauber and Chernyak explore more Metchnikoff's development as an embryologist showing how it prepared him to propose his theory of host pathogen interaction They discuss the profound impact of Darwin's theory of evolution on Metchnikoff's progress and the influence of 19th century debates on vitalism teleology and mechanism As a case study of scientific discovery this work offers lucid insight into the process of creative science and its dependence on cultural and philosophic sources

Immunologists and historians of science and medicine will find it an absorbing and accessible account of a remarkable individual *Congressional Record* United States. Congress, 1996 **Journal of the House of Representatives of the United States** United States. Congress. House, 2000 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House
