A Refutation Of Moral Relativism Interviews With An Absolutist:

A Refutation of Moral Relativism Peter Kreeft, 2009-12-04 No issue is more fateful for civilization than moral relativism. History knows not one example of a successful society which repudiated moral absolutes. Yet most attacks on relativism have been either pragmatic looking at its social consequences or exhorting preaching rather than proving and philosophers' arguments against it have been specialized technical and scholarly. In his typical unique writing style Peter Kreeft lets an attractive honest and funny relativist interview a Muslim fundamentalist absolutist so as not to stack the dice personally for absolutism. In an engaging series of personal interviews every conceivable argument the sassy Black feminist reporter Libby gives against absolutism is simply and clearly refuted and none of the many arguments for moral absolutism is refuted.

Encyclopedia of Criminal Justice Ethics Bruce A. Arrigo, 2014-07-17 Federal state county and municipal police forces all have their own codes of conduct yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations. The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases with sexual harassment fraud theft and false arrest being the next most prevalent factors. The ethical issues and dilemmas in criminal justice also reach deep into the legal professions the structure and administration of justice in society and the personal characteristics of those in the criminal justice professions. The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems including policing corrections courts forensic science and policy analysis and research. This two volume set is available in both print and electronic formats. Features: Entries are authored and signed by experts in the field and conclude with references and further readings as well as cross references to related entries that guide readers to the next steps in their research journeys. A Reader's Guide groups related entries by broad topic areas and themes making it easy for readers to quickly identify related entries. A Chronology highlights the development of the field and places material into historical context. A Glossary defines key terms from the fields of law and ethics and a Resource Guide provides lists of classic books academic journals websites and associations focused on criminal justice ethics. Reports and statistics from such sources as the FBI the United Nations and the International Criminal Court are included in an appendix. In the electronic version the Reader's Guide index and cross references combine to provide effective search and browse capabilities. The Encyclopedia of Criminal Justice Ethics provides a general non technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics.

The Challenge of Relativism Patrick J.J. Phillips, 2011-11-13 Offering a comprehensive overview and introduction to the concept of relativism and relativistic arguments this book surveys important relativist philosophers both classical and modern.

The Love of Wisdom Steven B. Cowan, James Spiegel, 2009 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts.

The Case for Life (Second

edition) Scott Klusendorf, 2023-10-24 Pro Life Advocate Scott Klusendorf Answers the Important Question What Are the Unborn Pro life Christians take heart the pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of Roe v Wade too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of The Case for Life now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to organize material for a pro life talk and what it means to be pro life How to Do Apologetics Patrick Madrid, 2016-07-13 From one of the most respected names in Catholic Apologetics Patrick Madrid comes the new book How to Do Apologetics Making the Case for Our Faith And it couldn't be more timely Seismic cultural shifts and increased attacks on religious liberty often place Christians in the uncomfortable position of having to defend their beliefs even their belief in God when their Faith is called into question by atheists agnostics Protestants or people from other religions This book is the apologist's toolkit covering all the topics you need to understand and apply Patrick Madrid's own successful approach to giving reasons to believe Using logic arguments and evidence to defend the Truth Apologetics with atheists moral relativists and non Christians Special advice and examples for use with Protestants as well as lukewarm or inactive Catholics Proven strategies for responding graciously to opponents Making a compelling case for God Jesus Christ and the Catholic Church What you need to do apologetics well PLUS Patrick Madrid's recommended books CDs and a glossary of key apologetics terms Patrick Madrid shows how YOU can demonstrate confidently and effectively that Catholic teaching is reasonable consistent and compelling *Making Disciples* Larry DiSimone, 2012-05-31 **Sola Scriptura in Asia** Yongbom Lee, Andrew R. Talbert, 2018-11-09 The echo of Luther's hammer resounds in Asia five hundred years after the Wittenberg controversy the cross is a flashpoint in China Korea seeks ecclesiastical reform the mystical union thrives in Laos even Kant whispers in old Batavia The diversity of ideas and influences of the Reformation is as broad and fascinating as the continent resisting reduction to the postcolonial movement and demonstrating an affinity with Protestant foundations that somehow remains uniquely Asian This volume brings together the reflections of Christian academics from the continent to offer a sample of the theological work that remains largely inaccessible to the broader scholarly community with contributions in the fields of theology biblical studies philosophy and

Christian higher education If the quincentennial of the Reformation has revealed anything it is the inauguration of Asia as the locus of biblical and theological scholarship for the next five hundred years **Relational Apologetics** Michael C.

Sherrad,2015-06-24 Defending the Christian faith by demonstrating its reality Relational Apologetics is about your life becoming a defense of the Christian faith Every relationship you have is an opportunity for you to connect people to their creator by displaying your hope both in word and deed Defending your faith is not just about answering questions and proving that God exists It is about showing that He is real by the way you live It is about demonstrating the power of God through your holiness And it is about drawing people to Jesus through your kindness Using stories and drawing on personal experiences Sherrard teaches the importance of holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic s questions The book doesn t delve deeply into the scientific and philosophical arguments for the existence of God and the validity of Christianity Rather it provides solid simple and easily remembered reasons why one should believe in each It will also teach essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them C. S. Lewis's Case for Christ Art Lindsley,2005-09-01 There can be many obstacles to faith as C S Lewis discovered But he overcame them to become one of Christianity s most ardent warriors of the faith Art Lindsley provides a readable introduction to C S Lewis s reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity
