A Reluctant Warriors Vietnam Combat Memories:

A Reluctant Warrior's Vietnam Combat Memories Richard L. McBain, 2014-10-02 The story of a college draftee sent to fight in the jungles of Vietnam and his combat experiences with his buddies in the 101st Airborne Division More than a story this book depicts the life and death camaraderie among a band of brothers most of whom were civilians trying to do their patriotic duty in a war few believed in

Out of the Mist, Memories of War Michael D. Mullins, 2011-09-12 Michael D Moon Mullins with his usual flair has found a perfect way to bring life to the stories of America's Warriors His lyrical way with words has opened a window into the past that is closing much too quickly Out of the Mist Memories of War touches the soul and brings the reader to a deep understanding of the sacrifices made by those ready to stand in the breach D H Brown Award winning author of Honor Defended Board member of Military Writers Society of America Vietnam Veteran *I Am the War* Lori Varosh, Jim Hallas, 2000-08 I Am the War began as a collection of Vietnam memories as told by a Marine combat photographer After 17 years it was the first chance he'd ever had to talk to anyone about his war As he spoke two wars emerged the remembered tour in Vietnam and a more horrible unremembered war that boiled up from his subconscious This book records his journey down the dark twisting trails of Vietnam's jungles and of his own mind through combat and catastrophe in Southeast Asia through delayed stress jail and madness back home The book also recounts how remembering can heal a reluctant warrior's tortured soul Lori Varosh is an award winning 25 year veteran of the newspaper business who spent most of her career as a reporter and editor at the Bellevue WA Journal American Jim Hallas spent 33 years as an award winning photojournalist including stints with the Portland Oregonian as a staffer and with the Journal American as a shooter and director of photography

The Afterlife of America's War in Vietnam Gordon Arnold, 2014-12-09 The fall of Saigon in 1975 signaled the end of America's longest war Yet in many ways the conflict was far from over Although the actual fighting ended the struggle to find political justification and historical vindication for the Vietnam War still lingered in American consciousness A plethora of images from America's first televised war has kept the conflict all too fresh in the memories of those who lived through it while creating a confusing picture for a younger generation The political process of attaching meaning to historical events has ultimately failed due to the lack of consensus then and now regarding events surrounding the Vietnam War Reviewing the record of American politics film and television this volume provides a brief overview of the war's appearance in American popular culture It examines the ways in which this conflict has consistently resurfaced in social and political life especially in the arena of contemporary world events such as the Soviet incursion into Afghanistan the Gulf War and the 2004 presidential campaign To this end the work explores the contexts and uses of the Vietnam War as a recurring subject The circumstances and symbolism used in the rhetoric of the political elite and the news media including the New York Times the Washington Post Time and Newsweek are discussed Emphasis is also placed on the role of film and television as the book examines movies such as The Deer Hunter and Apocalypse Now and TV series such as M A S H In

weaving together the political and screen appearances of the Vietnam War the book reexamines the influence of a major episode in American history *Pulp Vietnam* Gregory A. Daddis,2020-10-22 Explores how Cold War men s magazines idealized warrior heroes and sexual conquerors and normalized conceptions of martial masculinity Reluctant Warrior Richard L. McBain,2013-05 The story of an everyday college kid drafted into the horrors of jungle warfare and his many close encounters with death The reader will clearly be able to envision just what went on in Viet Nam through the incredible descriptive narrative and pictures tied to each story that the author depicts The book contains true stories of friendly fire incidents real brotherhood among units and even a secret CIA mission the author was involved with in testing an early beacon air strike The feelings of the soldiers in relation to the upheaval in America against the war the Kent State debacle and the refusal of our government to let us win are all described in this book *Palace Cobra* Ed Rasimus,2007-08-28 Picking up where the acclaimed *When Thunder Rolled* leaves off the author pens a riveting memoir of his service as an experienced combat pilot in the waning days of the Vietnam War photos Martins Press Veterans' Journeys Home Lori Holyfield,2015-11-17 *Veterans Journeys Home* is a vivid portrayal of military life and its aftermath for US troops who have served in Iraq and Afghanistan Highlighting the challenges US veterans face in today s changing military culture the book depicts the haunting and visceral memories of returning soldiers conversations with mental health providers and offers an alternative approach to healing the emotional wounds of war For anyone seeking a deeper understanding of the human costs of recent wars this book is invaluable It combines a moving narrative with a penetrating analysis of the welfare and post conflict treatment of veterans Fighting Shadows in Vietnam Michael P. Moynihan, Jr.,2014-02-10 In this memoir set as deeply in his mind as in the Southeast Asian jungle a young American soldier embarks on a journey to a war that for him will never be over The world was a playground for Mickey a naive Irish American kid bored with his life His father served in World War II his brother was a Marine in Vietnam now it was his turn His 365 days in the hell that was Vietnam builds in torment until an attack on a bunker complex in Cambodia Wounded his friend captured he becomes a tormented survivor knowing he is always just a heartbeat from death His adventure turned nightmare brings a visceral understanding of the words penned by Thoreau the very same words Mickey s father spoke throughout Mickey s youth The mass of men lead lives of quiet desperation especially those at war This memoir chronicles the key perspective shaping experiences of a U S Army grunt fighting in Vietnam The American War in Viet Nam Susan Lyn Eastman,2024-01-12 We have been waiting for a book on war and memory about the American War in Vietnam both about the Americans and the Vietnamese in the new century of the Desert Wars of Afghanistan and Iraq Susan Lyn Eastman has fulfilled that expectation and she has done so with a study impressive in its range of topical issues texts and commentary Philip D Beidler Margaret and William Going Professor of English University of Alabama After more than four decades the Viet Nam War continues to haunt our national memory culture politics and military actions In this probing interdisciplinary study Susan Lyn Eastman examines a range of

cultural productions from memorials and poetry to cinematic and fictional narratives that have tried to grapple with the psychic afterlife of traumatic violence resulting from the ill fated conflict in Southeast Asia Underpinning the book is the notion of prosthetic memory which involves memories acquired by those with no direct experience of the war such as readers and filmgoers Prosthetic memories Eastman argues refuse to relegate the war to the forgotten past and challenge the authenticity of experience thus ensuring its continued relevance to debates over America's self conception specifically her coinage of the New Vietnam Syndrome and the country's role in world affairs when it comes to contemporary military interventions With the notable exception of the Veterans Memorial in Washington Eastman's focus is on works produced from the Persian Gulf War 1990-91 through the post 9/11 War on Terror She looks not only at American representations of the war from movies like Randall Wallace's *We Were Soldiers* to poems by W.D. Ehrhart Yusef Komunyakaa and others but also at novels by Vietnamese authors Bao Ninh and Huong Thu Duong The experiences of women figure prominently in the book Eastman devotes a chapter to the Vietnam Women's Memorial and another to Sandie Frazier's novel *I Married Vietnam* and Oliver Stone's film *Heaven and Earth* based on memoirs by Le Ly Hayslip And by examining Jessica Hagedorn's *Dream Jungle* a novel inspired by the filming of *Apocalypse Now* she considers how the war's repercussions were felt in other countries in this case the Philippines Her investigation of Vietnamese American authors Lan Cao Andrew Lam and GB Tran adds a transnational dimension to the study
