A Rush Of Hands Camino Del Sol:

A Rush of Hands Juan Delgado, 2003 The whispers of buried lives The silence of a growing resistance The stigma of poverty In haunting images Juan Delgado explores the boundaries we cross daily These poems deal honestly with the realities of urban life whether dramatizing the effects of drive by shootings unfolding a labor protest that spreads across the city like a prayer or summoning a ghostlike immigrant damned to retrace his journey across the border Daily and historical struggles are elevated to the level of myth Yet amid these poems there are images of life and love a girl leaving hickeys rich as chocolate a boy pledging to rescue his mother from poverty a man studying the desert ground for tracks signaling immigrants in distress Delgado is unflinching in showing us the harshness surrounding the lives he cherishes and with resonant details and lyrical language he urges us to examine those lives and ultimately our own **A Rush of Hands** is a spellbinding book that will captivate both the ear and the heart
