A Sacramental Prophetic Vision Christian Spirituality In A Suffering World:

A Sacramental-prophetic Vision Matthew T. Eggemeier, 2014 In *A Sacramental Prophetic Vision The Praxis of Christian Spirituality in a Suffering World* Matthew Eggemeier argues that the sacramental and prophetic traditions of Christian spirituality possesses critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of a crucified people Eggemeier maintains that the vital key for cultivating these sacramental and prophetic traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply coram Deo and in turn to make this presence visible in a suffering world

A Sacramental-Prophetic Vision Matthew T. Eggemeier, 2014-04-23 The sacramental and prophetic traditions of Christian spirituality suggests Matthew Eggemeier possess critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of the crucified poor In *A Sacramental Prophetic Vision* Eggemeier maintains that the vital key for cultivating these traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply in the presence of God coram Deo and in turn to make this presence visible in a suffering world

Beneath the Roar and Tumult Rachel Wheeler, Karen E. Eifler, 2025-10-26 How do Catholic university faculty attend to and support the prophetic imaginations of their students Among the treasures of the Catholic intellectual tradition two are especially vital for contemporary Catholic education the sacramental imagination and prophetic imagination A sacramental imagination as illuminated in this book's companion *Becoming Beholders* posits that God is made manifest in all the academic life But that reality of beauty and goodness must be held in tension with the prophetic imagination a worldview that is acutely attuned to injustices and looks with creative eyes towards a more peaceful and equitable world Composed of essays by faculty in Catholic higher education in various fields *Beneath the Roar and Tumult* addresses this tension with insight into practical strategies for attending to the prophetic imagination in the classroom In the classroom educators are called on to create spaces for their students to grapple with inequalities and to dream of an actionable way forward while cultivating a more wholistic vision of academic life in solidarity with the world outside of it *Beneath the Roar and Tumult* offers practical guidance for fostering inclusion and belonging in college classrooms to provide a space where the prophetic imagination is embraced

Dennis M. Doyle,2016 A basic text to help provide structure background and perspective for a first year college course in theology or religious studies It is ecumenical in approach though not without some impact from the author s being a Roman Catholic **Mediating Peace** Sebastian Kim,Pauline Kollontai,Sue Yore,2016-01-14 This volume examines the role and contributions of art music and film in peace building and reconciliation offering a distinctive approach in various forms of art in peace building in a wide range of conflict situations particularly in religiously plural contexts As such it provides readers with a comprehensive perspective on the subject The contributors are composed of prominent scholars and artists who examine theoretical professional and practical perspectives and debates and address three central research questions which form the theoretical basis of this project

namely In what way have particular forms of art enhanced peace building in conflict situations How do artistic forms become a public demonstration and expression of a particular socio political context and In what way have the arts played the role of catalyst for peace building and if not why not This volume demonstrates that art contributes in conflict and post conflict situations in three main ways transformation at an individual level peace building between communities and bridging justice and peace for sustainable reconciliation

The Gospel of Church Janine Giordano Drake,2023-09-29 In The Gospel of Church Janine Giordano Drake traces the rivalry between organized labor and the American churches from 1880 to 1920 highlighting how the rise in labor and agricultural movements at the turn of the century ran parallel with low church attendance high circulation rates of socialist newspapers and outdoor revivalism as communities animated by a shared commitment to a Christian Commonwealth took the place of formal religion for thousands of working people Social Gospel ministers efforts to assert their authority over industrial affairs directly undermined workers efforts to bring about social democracy in the United States

A Sacred Look: Becoming Cultural Mystics Nancy Usselman,2018-04-18 How should a follower of Christ engage the popular media culture By becoming a mystic Sr Nancy challenges Christians today to delve deep into the rich theological tradition of the church as the root and foundation for recognizing the beauty of God present in all that is truly human The artists of popular culture sometimes unwittingly seek transcendence while grappling with some of humanity s most profound existential longings The cultural mystics of today point out those needs of humanity in the culture s artifacts in order to enter into dialogue with those who seek something beyond what this world satisfies The anthropological sacramental incarnational paradigm presented gives us this ability to take a sacred look of the culture and offer the joy of the Gospel Christ who is the answer of all humanity s yearnings
