,1884 **The Poet and the Dream Girl** Carl Sandburg,Lilian Steichen,1999 These letters reveal the thoughts of two fine strong minds drawn to each other first by their interest in socialism then by their love of poetry and a similarity of ethics and ideals My mother recognized this in his early prose and poetry They learned so much about each other from these letters yet it seems extraordinary that there was so little personal contact From the introduction by Margaret Sandburg First Love Violeta Barrett,2011-02-09 By 1956 Violeta Barrett had been working for a Wall Street investment firm more than a decade Recently separated from her husband and feeling overworked Violeta decided to vacation in Mexico After her plane landed in Mexico City a stranger with a deep accented voice introduced himself as her tour guide Violeta and Jorge had no idea they were about to begin a four year romance that would endure the test of time and distance In her compelling memoir Violeta shares a nostalgic and emotional journey where principles love and obligations collide and force unexpected decisions Energized by the Mexican culture and Jorge's charm Violeta is soon caught up in the joy of being loved But before long she must return to her obligations leaving Jorge behind Through the more than seventy love letters she would receive from Jorge for the next few years the two share a forbidden passion until the forces of morality prevail Nearly fifty years ago Violeta and Jorge fell in love changing their lives forever Their heartfelt story proves that true love is not affected by time It is ageless It is eternal
