A Mind Of Your Own Kelly Brogan:

A Mind of Your Own Instaread, 2016-06-10 *A Mind of Your Own* by Kelly Brogan with Kristin Loberg Summary Analysis Preview *A Mind of Your Own* by holistic women's health psychiatrist Kelly Brogan aims to help women better understand the root causes of depression and the pervasive myths surrounding antidepressants. Brogan encourages readers to take their health and well-being into their own hands. She outlines a four-week protocol of dietary restrictions, adjustments to sleep and exercise, and meditation. This regimen is intended to provide women with a healthier alternative to antidepressants. By taking an empowered, proactive approach to health, women can overcome debilitating symptoms, become healthier, and ultimately thrive without antidepressants. Over the course of years as a traditional psychiatrist, Brogan prescribed antidepressants to women because she believed that a chemical imbalance in the brain accounted for mental health disorders. A health crisis of her own forced Brogan to reconsider the conventional wisdom surrounding pharmaceutical treatments for common ailments. After being diagnosed with Hashimoto's thyroiditis, an autoimmune disease, shortly after giving birth to her first child, PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Summary of *A Mind of Your Own*: Overview of the Book, Important People, Key Takeaways, Analysis of Key Takeaways About the Author. With Instaread, you can get the key takeaways summary and analysis of a book in 15 minutes. We read every chapter, identify the key takeaways, and analyze them for your convenience. [Summary a Mind of Your Own by Kelly Brogan, MD and Kristin Loberg](#) Ant Hive Media, 2016-09-30 This is a Summary of Kelly Brogan MD and Kristin Loberg's *A MIND OF YOUR OWN: The Truth About Depression and How Women Can Heal Their Bodies to Reclaim Their Lives*. Depression is not a disease; it is a symptom. Recent years have seen a shocking increase in antidepressant use: the world over, with 1 in 4 women starting their day with medication. These drugs have steadily become the panacea for everything from grief, irritability, panic attacks to insomnia, PMS, and stress. But the truth is what women really need can't be found at a pharmacy. According to Dr. Kelly Brogan, antidepressants not only overpromise and underdeliver but their use may permanently disable the body's self-healing potential. We need a new paradigm. The best way to heal the mind is to heal the whole body. In this groundbreaking, science-based and holistic approach, Dr. Brogan shatters the mythology conventional medicine has built around the causes and treatment of depression. Based on her expert interpretation of published medical findings combined with years of experience from her clinical practice, Dr. Brogan illuminates the true cause of depression: it is not simply a chemical imbalance but a lifestyle crisis that demands a reset. It is a signal that the interconnected systems in the body are out of balance, from blood sugar to gut health to thyroid function, and inflammation is at the root. *A Mind of Your Own* offers an achievable, step-by-step 30-day action plan including powerful dietary interventions, targeted nutrient support, detoxification, sleep, and stress reframing techniques women can use to heal their bodies, alleviate inflammation, and feel like themselves again without a single prescription. Bold, brave, and revolutionary, *A Mind of Your Own* takes readers on a journey of self-empowerment for

radical transformation that goes far beyond symptom relief Available in a variety of formats it is aimed for those who want to capture the gist of the book but don't have the current time to devour all 352 pages You get the main summary along with all of the benefits and lessons the actual book has to offer This summary is not intended to be used without reference to the original book [A Mind of Your Own](#) Kelly Brogan, M.D., Kristin Loberg, 2016-03-15 Named one of the top health and wellness books for 2016 by MindBodyGreen Depression is not a disease It is a symptom Recent years have seen a shocking increase in antidepressant use the world over with 1 in 4 women starting their day with medication These drugs have steadily become the panacea for everything from grief irritability panic attacks to insomnia PMS and stress But the truth is what women really need can't be found at a pharmacy According to Dr Kelly Brogan antidepressants not only overpromise and underdeliver but their use may permanently disable the body's self-healing potential We need a new paradigm The best way to heal the mind is to heal the whole body In this groundbreaking science-based and holistic approach Dr Brogan shatters the mythology conventional medicine has built around the causes and treatment of depression Based on her expert interpretation of published medical findings combined with years of experience from her clinical practice Dr Brogan illuminates the true cause of depression it is not simply a chemical imbalance but a lifestyle crisis that demands a reset It is a signal that the interconnected systems in the body are out of balance from blood sugar to gut health to thyroid function and inflammation is at the root A Mind of Your Own offers an achievable step-by-step 30-day action plan including powerful dietary interventions targeted nutrient support detoxification sleep and stress reframing techniques women can use to heal their bodies alleviate inflammation and feel like themselves again without a single prescription Bold brave and revolutionary A Mind of Your Own takes readers on a journey of self-empowerment for radical transformation that goes far beyond symptom relief

Mind the Science Jonathan N. Stea, PhD,2024-09-03 A clinical psychologist who regularly deals with some of society s most vulnerable exposes and debunks the predatory pseudoscience and grift of the multi trillion dollar wellness industry and points us towards a better way to take care of our mental health Can the unbroken gaze of a lone man on a stage in front of hundreds of people truly alleviate their mental distress Can Berlin Wall pills or a coffee enema cure depression Can we improve our mental health with past life regression therapy cold water shock therapy

rebirthing therapy Wellness grifters and alternative health snake oil salesmen are everywhere these days and when our medical systems are under stress and we are too these costly purveyors of false hope are worse than a waste of money they can lead us to delay badly needed care from real professionals exacerbate our conditions and in the most tragic of cases even kill us Today people looking to care for their mental health face a market with at least 600 brands of psychotherapy and counting Most are ineffective and many could be harmful There exist countless unregulated providers of mental health services in the 5 6 trillion USD wellness industry and alternative medicine community looking to exploit people s financial and emotional vulnerabilities The world of mental health care is very much caveat emptor buyer beware Having seen so many of his patients hurt by the pseudoscience circulating in the industry Dr Jonathan N Stea is on a mission to expose its harm and protect the public from mental health misinformation In a landscape of rampant burnout and at a time when mental health concerns are at a fever pitch Mind the Science provides hope and real information to those who have been touched by mental illness have been misled by false marketing or are simply curious about the relationship between science and mental health

The Red Zone Chloe Caldwell, 2022-04-19 A searching galvanizing memoir about blood and love how learning more about her period PMS PMDD and the effects of hormones on moods transformed her relationships to a new partner to family to non blood kin and to her own body from the beloved essayist and author of *Women* Chloe Caldwell s period has often felt inconvenient uncomfortable or even painful It s only once she s in her thirties as she s falling in love with Tony a musician and single dad that its effects on her mood start to dominate her life Spurred by the intensity and seriousness of her new relationship it strikes her her outbursts of anxiety and rage match her hormonal cycle Compelled to understand the truth of what s happening to her Chloe documents attitudes toward menstruation among her peers and family reads Reddit threads about PMS attends a conference called Break the Cycle and learns about premenstrual dysphoric disorder PMDD which helps her name what she s been going through For Chloe healing isn t about finding a single cure It means reflecting on underlying patterns in her life her feelings about her queer identity and writing persona in the context of a heterosexual relationship how her parents divorce contributed to her issues with trust and what it means to blend a family The *Red Zone* is a candid revelatory memoir for anyone grappling with controversial medical diagnoses and labels of all kinds It s about coming to terms with the fact that along with proper treatment self acceptance self compassion and transcending shame are the ultimate keys to relief It s also about love how challenging it can be how it reveals your weaknesses and wounds and how if you allow it it will push you to grow and change

Eventually, you will entirely discover a supplementary experience and carrying out by spending more cash. yet when? reach you acknowledge that you require to get those every needs following having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more almost the globe, experience, some places, in the manner of history, amusement, and a lot more?
