A Paper Trail My Paper Heart 3:

The New Paper Trails Robin Garden, 2011-04 *The New Paper Trails* is a lively and provocative collection of 24 short stories suitable for upper primary and lower secondary students of English. These lesson-sized stories from Australian and international authors cover a range of themes, styles, and genres and introduce students to writing techniques and the skills of critical literacy. This new edition of the original anthology includes a completely new set of stories, activities, and exercises along with a bold and engaging design and illustrations. It features work from well-known authors such as Garth Nix, Angela Carter, and Carmel Bird, and alongside authors just starting their literary careers.

Keep The Stars Magan Vernon, The stars aligned and I've promised myself to Ace forever. Now we can move on with the next steps of our lives together. But life has a way of getting in the way of keeping things simple. My new roommate has a dangerous link to my past. One I can't even tell her about. And the one person who I thought was my biggest confidante is now pulling away. I thought my life was coming together. Now I have to figure out if I can keep everything from falling apart. This book was formerly titled *How to Mary an Alien* and the third book in the Alien Romance series. The cover and synopsis have changed, but the content is the same. This book is geared more toward Upper YA readers and does contain the discussion of marriage equality and gay marriage themes that were hinted at in the first two books. There is also a little more heat in this one, but nothing that would keep one out of the kitchen.

Runaway Heart Leslie McKelvey, 2016-03-13 Lindsay Davenport has it all: a handsome, wealthy husband, a life of seeming ease, and everything money could buy. But what do you buy when you live in hell? After seven years of marriage, seven years of abuse and violence, she changes her name and flees to a remote town in Alaska, determined to escape her husband's cruelty and start her life over. Life, however, has other plans. Ross Devlin loves his bar in Cooper's Ridge, Alaska. He loves being a bachelor, being a pilot, and playing hockey. Then a quiet woman with a shady past walks into his life. As time passes, he realizes he doesn't love anything as much as he loves her, and his bar, his plane, and hockey are not as important as protecting her from an ex-husband who plans to make the phrase "Till death do us part" a reality.
