A Practical Guide to Musical Composition

Presentation

The following is the table of contents of my book, *A Practical Guide to Musical Composition*. It gives the reader a fundamental principles of musical composition in concise, practical terms, and it provides guidance for student composers. Many practical aspects of the craft of composition, especially concerning form, are not often discussed in ways useful to an aspiring composer. But in no way, means that I try to solve someone's problems. Thus, this will not be a "theory" text, nor an analysis manual, but rather a guide to some of the basic tools of the trade.

This book is the first of a series of four. The others are: *Counterpoint*, *Orchestration*, *Harmony*.
